CATHOLIC MEDICAL ASSOCIATION

79th Annual Educational Conference
SEATTLE, WASHINGTON  · OCTOBER 28-30, 2010

RESTORING the INTEGRITY of MEDICINE
An Imperative for a Christian Anthropology

PROVIDENCE EVERETT MEDICAL CENTER  DEPARTMENT OF MEDICAL EDUCATION
DEDICATED TO

OUR LADY, Mediatrix of all Grace

AND

SAINT LUKE, Patron of Physicians
October 28, 2010

Dear Colleagues:

The Washington State Guild of the Catholic Medical Association is honored to host the 79th Annual Educational Conference of the Catholic Medical Association. On behalf of the guild, I would like to wish you a warm welcome to Seattle, the Emerald City.

This conference draws its inspiration from Psalm 8: “What is man that you are mindful of him.” Now, more than ever, there is an absolute imperative for our profession to be able to answer the question “What is man?” before we even consider putting on our white coats and taking out our stethoscopes. In order for students or practitioners of medicine to properly impart their knowledge and art, they must have a proper understanding of the human person they propose to restore, one based in the truth about man—a Christian anthropology. To paraphrase G.K. Chesterton, when physicians never learn, or forget, the truth about man, they don’t believe in nothing—they will believe almost anything. We must re-integrate first principles of who man is into our way of thinking and knowing. Without a sound anthropology, our profession will continue to face a multiplication of errors and conundrums, from which we will be unable to escape.

The conference program will feature multi-part presentations on first principles: the foundations of a Christian anthropology, faith and reason, Marian spirituality, and ethical leadership; talks addressing significant topics in clinical practice and research; and breakout sessions on a wide variety of fascinating issues.

My sincere prayer is that the program will enrich the faith and knowledge of all participants in a way that Pope Benedict XVI has described so well: “In every truth there is something more than we would have expected, there is always an element that surprises us. We should never cease to marvel at these things.”

In the Sacred and Immaculate Hearts,

Jan R. Hemstad, M.D.
Conference Chairman
79th Annual Educational Conference
Catholic Medical Association

October 28, 2010

My Dear Friends in Christ:

I am delighted to welcome all of you to the Archdiocese of Seattle for the Catholic Medical Association’s 79th Annual Educational Conference.

As you know, the theme of this year’s conference is “Restoring the Integrity of Medicine: An Imperative for a Christian Anthropology.” I believe that it is important to remind ourselves that integrity needs to be the foundation of the physician’s relationships with patients, the wider community and with Jesus Christ. In our secular world, doctors are pressured to conform their lives and practices to the demands of science and the bottom line, and neglect the life-giving joy and spiritual fulfillment that come to those who see Jesus Christ in the face of every sick and suffering human being.

I hope this conference gives all of us the opportunity to prayerfully reflect on the ways that our relationships and interactions with one another need to mirror the healing of mind, body and spirit modeled by Christ the Divine Physician.

I ask that God may bless all who attend this gathering with a renewed joy in using their healing gifts and talents to bring hope, alleviate suffering and glorify God.

With warmest regards and wishes, I remain

Sincerely yours in Christ,

Most Rev. Alex J. Brunett
Apostolic Administrator
OFFICERS

Leonard P. Rybak, M.D., Ph.D.
President
Springfield, Illinois

Jan Hemstad, M.D.
President-Elect
Yakima, Washington

Maricela P. Moffitt, M.D., M.P.H.
Vice President
Phoenix, Arizona

John I. Lane, M.D.
Treasurer
Rochester, Minnesota

Paul Braaton, M.D.
Secretary
Modesto, California

BOARD MEMBERS

Louis C. Breschi, M.D.
Immediate Past President
Towson, Maryland

Kathleen M. Raviele, M.D.
Past President
Tucker, Georgia

Lynne Bissonnette-Pitre, M.D., Ph.D.
Regional Director Representative
Portland, Oregon

Lester A. Ruppersberger, D.O.
Regional Director Representative
Washington Crossing Pennsylvania
EX-OFFICIO MEMBERS

Most Rev. Robert F. Vasa, D.D.
Episcopal Advisor
Bend, Oregon

Rev. John D. Ehrich, S.T.L.
Chaplain
Phoenix, Arizona

Louis C. Breschi, M.D.
Parliamentarian
Towson, Maryland

Kevin Murrell, M.D.
FIAMC Representative
Augusta, Georgia

John F. Brehany, Ph.D., S.T.L.
Executive Director
Wynnewood, Pennsylvania

APPOINTED BOARD MEMBERS

Clement Cunningham, M.D.
Consultant to the President
Rock Island, Illinois

Thomas M. Pitre, M.D.
Consultant to the President
Portland, Oregon

George Isajiw, M.D.
Consultant to the President
Upper Darby, Pennsylvania

R. Steven White, M.D.
Consultant to the President
Daytona Beach, Florida

DESCRIPTION

The Christian imperative to care for the sick is based on our desire to continue the healing ministry of Christ the Divine Physician. However, too many physicians have allowed the practice of medicine to be separated from the exercise of faith, hope, and charity, and the science of medicine to be divorced from the profound harmony between the Catholic faith and reason.

This conference will show why physicians need to be inspired and guided by an authentic Christian anthropology in the science and practice of medicine, and the benefits that ensue when they are. This anthropology includes the truth about man as created and redeemed, as revealed in the Word of God. Only on this foundation can the commandment to love and imitate Christ the Divine Physician be faithfully practiced in the vocation of medicine.

A series of world-class speakers will address the most important aspects of theology, philosophy, spirituality, and science as well as provide practical suggestions on how to implement this faith-inspired understanding of the human person.
INTENDED AUDIENCE

This activity is intended for physicians, osteopathic physicians, dental surgeons, dentists, physicians in training (e.g., residents, interns, and medical students), allied health professionals (e.g., physician assistants, nurses, etc.), scientists, members of the clergy, seminarians, and people of good will (general public).

EDUCATIONAL OBJECTIVES

After attending this activity, a participant should be able to:
1. Identify and articulate the principles necessary for physicians to be guided by an authentic Christian anthropology in the science and practice of medicine;
2. Appraise the critical importance of conscience protections for health professionals;
3. Critically review the complex ethical issues involved in drug and vaccine development and use, death and organ donation, and reproductive health care;
4. Gain an understanding of the relationship between the personal, ethical, and organizational excellence necessary for effective leadership in the profession and business of medicine;
5. Better understand the complementarity of the science of medicine, philosophy, and faith.

ACCREDITATION, SPONSORSHIP, CREDIT

This activity has been planned and implemented in accordance with the Essential Elements, Criteria, and Standards of Accreditation of the Washington State Medical Association CME Accreditation Committee through the partnership of Providence Regional Medical Center Everett and Catholic Medical Association.

Providence Regional Medical Center Everett, a Washington State Medical Association accredited sponsor, designates this educational activity for a maximum of 17 hours in Category I to satisfy the re-licensure requirements of the Washington State Medical Quality Assurance Commission.

Providence Regional Medical Center Everett designates this educational activity for a maximum of 17 AMA PRA Category 1 Credit(s). Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity, Restoring the Integrity of Medicine, with a beginning date of October 28, 2010, has been reviewed and is acceptable for up to 13.50 Elective credits by the American Academy of Family Physicians.

Providence Regional Medical Center Everett is an approved provider for Nursing Education Hours. This program has been approved by the California Board of Registered Nursing (Provider #13721) for 20.5 Hours.
PRAYER OF THE CATHOLIC PHYSICIAN

Lord Jesus,

Divine Physician, who in your earthly life showed special concern for those who suffer and entrusted to your disciples the ministry of healing, make us ever ready to alleviate the trials of our brethren. Make each one of us, aware of the great mission that is entrusted to him, strive always to be, in the performance of daily service, an instrument of your merciful love. Enlighten our minds, guide our hands, make our hearts diligent and compassionate. Ensure that in every patient we know how to discern the features of your divine Face.

You who are the Way, provide us with the gift of knowing how to imitate You every day as medical doctors not only of the body but of the whole person, helping those who are sick to tread with trust their own earthly path until the moment of their encounter with You.

You who are the Truth, provide us with the gift of wisdom and science in order to penetrate the mystery of man and his transcendent destiny as we draw near to him in order to discover the causes of his malady and find suitable remedies for it.

You who are the Life, provide us with the gift of preaching and bearing witness to the ‘Gospel of life’ in our profession, committing ourselves to defending it always, from conception to its natural end, and to respect the dignity of every human being, and especially the dignity of the weakest and the most in need.

Make us O Lord, Good Samaritans, ready to welcome, treat, and console those we encounter in our work. Following the example of the holy medical doctors who have preceded us, help us to offer our generous contribution to the constant renewal of health care structures.

Bless our studies and our profession; enlighten our research and our teaching. Lastly, grant to us, having constantly loved and served You in our suffering brethren, that at the end of our earthly pilgrimage we may contemplate your glorious countenance and experience the joy of the encounter with You in your Kingdom of joy and everlasting peace. Amen

JOHN PAUL II
THE VATICAN, 29 JUNE 2000
The 1995 Restatement of

THE OATH OF HIPPOCRATES

Circa 400 B.C.

I SWEAR in the presence of the Almighty and before my family, my teachers and my peers that according to my ability and judgment I will keep this Oath and Stipulation.

TO RECKON all who have taught me this art equally dear to me as my parents and in the same spirit and dedication to impart a knowledge of the art of medicine to others. I will continue with diligence to keep abreast of advances in medicine. I will treat without exception all who seek my ministrations, so long as the treatment of others is not compromised thereby, and I will seek the counsel of particularly skilled physicians where indicated for the benefit of my patient.

I WILL FOLLOW that method of treatment which according to my ability and judgment, I consider for the benefit of my patient and abstain from whatever is harmful or mischievous. I will neither prescribe nor administer a lethal dose of medicine to any patient even if asked nor counsel any such thing nor perform act or omission with direct intent deliberately to end a human life. I will maintain the utmost respect for every human life from fertilization to natural death and reject abortion that deliberately takes a unique human life.

WITH PURITY, HOLINESS AND BENEFICENCE I will pass my life and practice my art. Except for the prudent correction of an imminent danger, I will neither treat any patient nor carry out any research on any human being without the valid informed consent of the subject or the appropriate legal protector thereof, understanding that research must have as its purpose the furtherance of the health of that individual. Into whatever patient setting I enter, I will go for the benefit of the sick and will abstain from every voluntary act of mischief or corruption and further from the seduction of any patient.

WHATEVER IN CONNECTION with my professional practice or not in connection with it I may see or hear in the lives of my patients which ought not be spoken abroad, I will not divulge, reckoning that all such should be kept secret.

WHILE I CONTINUE to keep this Oath unviolated may it be granted to me to enjoy life and the practice of the art and science of medicine with the blessing of the Almighty and respected by my peers and society, but should I trespass and violate this Oath, may the reverse be my lot.

WEDNESDAY, OCTOBER 27

8:00 PM  Evening of Reflection, Rev. Derek J. Lappe

THURSDAY, OCTOBER 28

7:00 AM  Rosary and Confession
7:30 AM  Registration Begins
8:00 AM  Continental Breakfast; Perpetual Adoration Begins
8:30 AM  Welcome and Invocation

### Friday Evening’s Special Event

**An Evening with G.K. Chesterton with Desserts and Featured Northwest Wines**

Join the dynamic duo of Dale Ahlquist and Chuck Chalberg for an unforgettable evening with G.K. Chesterton. Experience the dazzling brilliance, the rhetorical genius, and the side-splitting humor that made Chesterton one of the most memorable intellectual lights of the 20th century. Dale Ahlquist is president of the American Chesterton Society. Dale’s talks on Chesterton have delighted audiences around the world. Dr. John “Chuck” Chalberg entertains audiences throughout the United States with historical impersonations of famous American and British characters, including Theodore Roosevelt and G.K. Chesterton.

The evening’s entertainment will be enhanced by a medley of exquisite desserts and a selection of fine Northwest wines. Second in size only to California, and on a latitude equal to the great French regions of Bordeaux and Burgundy, eastern Washington has become world famous for the quality of its grapes and wines.

CARDINAL JUSTIN RIGALI

together with the bishops, priests, deacons, religious and laity of the
Archdiocese of Philadelphia
extend prayerful best wishes for a successful conference of the Catholic Medical Association.

May the participants grow in their knowledge of medicine and faith in the Divine Healer, Our Lord Jesus Christ.
MISSION DOCTORS ASSOCIATION

"Heal the sick and say to them the kingdom of God is at hand" - Luke 10:9

BE THE HEALING HANDS OF CHRIST

Volunteer
Do you feel called to share your gifts at a mission hospital or clinic?

Since 1959, Mission Doctors Association has made it possible for Catholic doctors and their families to follow the call of their faith. MDA has supported US doctors who have served at hospitals and clinics in Africa, Latin America, Papua New Guinea and refugee camps in Thailand.

Mission Doctors offers two opportunities to serve, a short term (1-3 months) and a long term (3 years) program.

Join us for a Retreat/Seminar and hear from doctors who have the experience of serving in the missions and discuss the practical issues of medical licenses, work permits, visas, and international health insurance.

The next Retreat/Seminar is scheduled for April 1-3, 2011, it will be held at Loyola Marymount University in Los Angeles. Contact our office for reservations.

Support
If you cannot serve in Africa or Latin America yourself, your prayerful support will make the mission of a Catholic doctor possible.

Just $3 makes it possible for a mission doctor to be there to care for one patient in need.

$3 makes it possible for a mission doctor to care for a young woman delivering twins in Guatemala; a child recovering from cerebral malaria in Cameroon; a trauma victim in Uganda. $30 provides a doctor to care for 10 patients, $300 for 100 patients …

Donate online or send a gift as a partner in caring for those most in need around the world.

For more than 50 years, mission doctors and their families have made tremendous personal and professional sacrifices to serve, and your sacrifice and support makes their service possible.

For more information about Mission Doctors Association or to complete a volunteer application, we invite you to visit our website at www.MissionDoctors.org

The Catholic Physicians’ Guild of Chicago commends the WASHINGTON STATE GUILD and the CMA LEADERSHIP for the 2010 CMA EDUCATIONAL CONFERENCE: “Restoring the Integrity of Medicine”
Congratulations to

Jan Hemstad, M.D.
CONFERENCE CHAIRMAN

for an Inspiring Annual Educational Conference

Our Prayers and Best Wishes Are with You
as You Assume the Presidency

From the PAST PRESIDENTS of the
Catholic Medical Association

We Welcome

Leonard P. Rybak, M.D., Ph.D.
CMA PRESIDENT 2009-2010

As a Member of Our Ranks,
with Deep Gratitude for a Job Well Done
Providence Health & Services is committed to continuing the healing ministry of Jesus. We provide quality, compassionate care to communities in Alaska, Washington, Montana, Oregon and California.

Providence welcomes the Catholic Medical Association to Seattle.
BEST WISHES

for a blessed CMA Conference.
We look forward to greeting you at your 2012 Conference in the Twin Cities.

Most Reverend John C. Nienstedt
Archbishop of Saint Paul and Minneapolis

Bishop Lee Piché
Archbishop Emeritus Harry J. Flynn

***

You don't support abortion or pornography...

Can your mutual fund make the same claim?

Most mutual fund managers don’t consider whether the companies they invest in are morally responsible. They only focus on the financials. But for us, investing is far more than a numbers game. Our experienced team of portfolio managers select stocks and bonds based on sound investment fundamentals as well as pro-life values. We screen every investment to be certain it is both financially and morally responsible. So, you get the best of both worlds...

Smart Investing and Catholic Values

Call 1-866-AVE-MARIA (1-866-283-6274) or visit avemariafunds.com for a free investor’s kit.

There is no guarantee that this investment strategy will succeed, the strategy is not an indicator of future performance and investment results may vary. The Advisor invests only in securities that meet both investment and religious requirements, and as such, the return may be lower than if the Advisor made decisions based solely on investment considerations.

Past performance does not guarantee future results. An investor should consider the investment objectives, risks, charges and expenses of the Funds carefully before investing. The prospectus, which can be obtained for free by calling 1-866-AVE-MARIA or online at avemariafunds.com, contains this and other information about the Funds which should be read and considered carefully before investing. Distributed by Ultimus Fund Distributors, LLC.
Through its MA Philosophy Program in Bioethics and its MSN Program, Franciscan University of Steubenville prepares students to promote the culture of life within the health care fields. Formed in the truth of the dignity of the human person and professional competencies, Franciscan graduates are equipped to bring compassionate care to the most vulnerable in today's world.

**MA Philosophy Program in Bioethics**
Your training in bioethics will prepare you to intelligently address ethical questions generated by biotechnological advances, articulate the logical case for life on controversial medical issues, and offer professional consultation in hospital settings.

**Master of Science Nursing**
You will receive a strong foundation in theory, research, and experiential learning, enabling you to work as a Family Nurse Practitioner or Education Specialist in this vital helping ministry.

---

**Graduate Admissions**
Franciscan University of Steubenville
1235 University Blvd. • Steubenville, Ohio 43952
800-783-6220 • www.franciscan.edu
Admits qualified students of any race, color, national and ethnic origin, disability, and sex.

---

When is a hospital not just a hospital?

When it finds emergency shelter for families in crisis.
When it provides primary healthcare for children without access.
When it provides prenatal care and delivery to uninsured and underinsured women.
When it donates millions in free medical care to those in need.
When it partners with other organizations to provide dozens of critical humanitarian services to its neighbors, including the poor and uninsured.
In short, when it’s St. Mary Medical Center.

Insurance Counselors are available to help families enroll in CHIP (Children’s Health Insurance Program) and Medical Assistance programs.

For more information call 215.245.8563 ext. 26.

---

For more information about financial assistance for St. Mary patients, please call 215.710.6546 or visit www.StMaryHealthcare.org/CommunityBenefit
Thank you

participants and the CMA Board of Directors for choosing Seattle.

For those of you who live in Washington, please consider joining our local guild and enhancing the spirituality in your practice.

The Washington State Catholic Medical Association is a guild of the national Catholic Medical Association (CMA). We host events related to these endeavors. Please visit our website at http://catholicphysicians.org. For further information contact Steven Pace MD at 253.732.7030 or by email at stevenpace@mac.com.

THE DIOCESE OF WINONA, MN GUILD

Congratulates the Washington Guild for an outstanding Educational Conference

Mark your calendars for the 81st Annual Educational Conference to be held in St. Paul, MN, September 27, 2012
