CATHOLIC MEDICAL ASSOCIATION

81st Annual Educational Conference
SAINT PAUL, MINNESOTA  •  SEPTEMBER 27–29, 2012

A Witness to HOPE
Medicine and the New Evangelization

PROVIDENCE EVERETT MEDICAL CENTER
DEPARTMENT OF MEDICAL EDUCATION
CATHOLIC MEDICAL ASSOCIATION
81st Annual Educational Conference

DEDICATED TO
BLESSED POPE JOHN PAUL II

UNDER THE PATRONAGE OF THE
BLESSED VIRGIN MARY, MOTHER OF THE CHURCH
Dear Colleagues,

The Diocese of Winona Guild and the St. Paul and Minneapolis Guild are honored to host the 81st Annual Educational Conference. We welcome you to “The Land of Ten Thousand Lakes.”

Through the theme “A Witness to Hope: Medicine and the New Evangelization,” we will explore the social, intellectual, and spiritual contexts of our current cultural crisis. The focus will then shift to the Church’s response to this crisis and culminate on the final day with a wide-ranging discussion of the role that physicians and health-care professionals might play in the Church’s effort to bring forth a New Evangelization.

The Conference Planning Committee has assembled a highly esteemed faculty from the disciplines of journalism, humanities, law, arts and sciences, theology, and medicine. Faculty members are laity, clergy, and religious. The common thread that binds them together is their unflagging determination to give Christian witness in the public square to an increasingly secular world. We are confident that their presentations will provide you with the knowledge and inspiration you need to begin the hard work of re-evangelizing a post-Christian culture and building a culture of life in medicine.

It is our desire that these three days of fellowship, prayer, and study will bring us all closer to each other and to our Lord and Savior Jesus Christ. May this time together prepare us for the struggles that lie ahead and for joining with the whole Church to celebrate the upcoming Year of Faith.

Ad Majorem Dei Gloriam.

John I. Lane, M.D.
President-Elect
2012 CMA Conference Chairman
September 27, 2012

Dear Brothers and Sisters in Christ,

It is with great joy that I welcome you to the Archdiocese of Saint Paul and Minneapolis for the Catholic Medical Association’s 81st Annual Educational Conference. The theme for this year’s conference is “A Witness to Hope: Medicine and the New Evangelization.”

I believe that this year’s theme is very opportune, especially in light of the “Year of Faith” proclaimed by Pope Benedict XVI. The Year of Faith, which will begin in October, is a time when we are called to rediscover the gift of our Catholic faith and to encourage all of our members to bring that faith to others in charity and in truth.

As professionals in the medical field, you, too, are called to practice your faith in the environment of your practice. I hope that this year’s CMA conference will challenge you to consider how your clinical work participates in the Church’s effort for a new evangelization, as well as to learn how to respond both intellectually and spiritually to the current crises of the rampant secularization that impacts our culture.

Please know of my prayers for you during this conference. I ask that you may not only learn those things necessary for your practice, but also that you are more deeply strengthened in your Catholic faith.

With every good wish, I remain

Cordially yours in Christ,

[Signature]

The Most Reverend John C. Nienstedt
Archbishop of Saint Paul and Minneapolis

Some critics contend that Western Civilization in the 21st century has reached a state of cultural exhaustion, leaving it unable to inspire future generations. This state of civic malaise has come to be known as the Crisis of Modernity. This perspective underestimates the power of Christianity over two millennia to continually renew the culture in which the faith has taken root. This conference will explore the cultural, intellectual, and spiritual contexts of the current crisis, the Church’s response to the crisis, and the part that Medicine might play in the Church’s effort to bring forth a period of New Evangelization.

It is our intention that the 81st Annual Educational Conference of the Catholic Medical Association will edify and inspire health-care professionals to “put out into the deep,” transforming the way in which we practice our faith and our profession. Ad Majorem Dei Gloriam.
INTENDED AUDIENCE

This activity is intended for physicians, osteopathic physicians, dental surgeons, dentists, physicians in training (e.g., residents, interns, and medical students), allied health professionals (e.g., physician assistants, nurses, etc.), scientists, members of the clergy, seminarians, and people of good will (general public).

EDUCATIONAL OBJECTIVES

After attending this activity, a participant should be able to:
1. Improve the cultural competencies of the health-care provider particularly as they relate to a distinctly Catholic understanding of the nature of the human person.
2. Improve communication skills of the health-care provider in conveying this understanding of the human person and human flourishing to colleagues and patients.
3. Empower the health-care provider to more effectively address the spiritual aspects of the patient care.
4. Emphasize the importance of maintaining the spiritual health of the provider and patient.

ACCREDITATION, SPONSORSHIP, CREDIT

This activity has been planned and implemented in accordance with the Essential Elements, Criteria, and Standards of Accreditation of the Washington State Medical Association CME Accreditation Committee through the partnership of Providence Regional Medical Center Everett and the Catholic Medical Association.

Providence Regional Medical Center Everett, a Washington State Medical Association accredited sponsor, designates this educational activity for a maximum of 20 hours in Category I to satisfy the re-licensure requirements of the Washington State Medical Quality Assurance Commission.

Providence Regional Medical Center Everett designates this educational activity for a maximum of 20 AMA PRA Category 1 Credit(s). Physicians should only claim credit commensurate with the extent of their participation in the activity.

Providence Regional Medical Center Everett is an approved provider for Nursing Education Hours. This program has been approved by the California Board of Registered Nursing for 24 hours of CEU credits.

Application for credit has been made with the American Academy of Family Physicians. Authorization is pending.
PRAYER OF THE CATHOLIC PHYSICIAN

LORD JESUS,

Divine Physician, who in your earthly life showed special concern for those who suffer and entrusted to your disciples the ministry of healing, make us ever ready to alleviate the trials of our brethren. Make each one of us, aware of the great mission that is entrusted to him, strive always to be, in the performance of daily service, an instrument of your merciful love. Enlighten our minds, guide our hands, make our hearts diligent and compassionate. Ensure that in every patient we know how to discern the features of your divine Face.

YOU WHO ARE THE WAY, provide us with the gift of knowing how to imitate You every day as medical doctors not only of the body but of the whole person, helping those who are sick to tread with trust their own earthly path until the moment of their encounter with You.

YOU WHO ARE THE TRUTH, provide us with the gift of wisdom and science in order to penetrate the mystery of man and his transcendent destiny as we draw near to him in order to discover the causes of his malady and find suitable remedies for it.

YOU WHO ARE THE LIFE, provide us with the gift of preaching and bearing witness to the ‘Gospel of life’ in our profession, committing ourselves to defending it always, from conception to its natural end, and to respect the dignity of every human being, and especially the dignity of the weakest and the most in need.

Make us O Lord, Good Samaritans, ready to welcome, treat, and console those we encounter in our work. Following the example of the holy medical doctors who have preceded us, help us to offer our generous contribution to the constant renewal of health care structures.

Bless our studies and our profession; enlighten our research and our teaching. Lastly, grant to us, having constantly loved and served You in our suffering brethren, that at the end of our earthly pilgrimage we may contemplate your glorious countenance and experience the joy of the encounter with You in your Kingdom of joy and everlasting peace. Amen

JOHN PAUL II
THE VATICAN, JUNE 29, 2000
The 1995 Restatement of

THE OATH OF HIPPOCRATES

I SWEAR in the presence of the Almighty and before my family, my teachers and my peers that according to my ability and judgment I will keep this oath and stipulation:

TO RECKON all who have taught me this art equally dear to me as my parents and in the same spirit and dedication to impart a knowledge of the art of medicine to others. I will continue with diligence to keep abreast of advances in medicine. I will treat without exception all who seek my ministrations, so long as the treatment of others is not compromised thereby, and I will seek the counsel of particularly skilled physicians where indicated for the benefit of my patient.

I WILL FOLLOW that method of treatment which according to my ability and judgment, I consider for the benefit of my patient and abstain from whatever is harmful or mischievous. I will neither prescribe nor administer a lethal dose of medicine to any patient even if asked nor counsel any such thing nor perform act or omission with direct intent deliberately to end a human life. I will maintain the utmost respect for every human life from fertilization to natural death and reject abortion that deliberately takes a unique human life.

WITH PURITY, HOLINESS, AND BENEFICENCE I will pass my life and practice my art. Except for the prudent correction of imminent danger, I will neither treat any patient nor carry out any research on any human being without the valid informed consent of the subject or the appropriate legal protector thereof, understanding that research must have as its purpose the furtherance of the health of that individual. Into whatever patient setting I enter, I will go for the benefit of the sick and will abstain from every voluntary act of mischief or corruption and also from the seduction of any patient.

WHATEVER IN CONNECTION with my professional practice or not in connection with it I may see or hear in the lives of my patients which ought not be spoken abroad I will not divulge, reckoning that all such should be kept secret.

WHILE I CONTINUE to keep this oath unviolated may it be granted to me to enjoy life and the practice of the art and science of medicine with the blessing of the Almighty and respected by my peers and society, but should I trespass and violate this Oath, may the reverse be my lot.

2012 CONFERENCE SCHEDULE

[Image 123x705]
“The Catholic Shakespeare” and Fine Dining

Get ready to experience Shakespeare like never before! Epiphany Studio Productions’ “The Catholic Shakespeare” is a fun, intriguing, and interactive two-person theatrical romp through a variety of Shakespeare’s plays (comedies as well as tragedies), exploring Shakespeare’s hidden Catholic convictions and coded allegorical writings during one of the most volatile and dangerous periods in England’s history. Come and enjoy an exquisite dinner, catered by the award-winning Prom Catering, and Shakespeare in the company of your colleagues and friends at St. Paul’s architecturally stunning Landmark Center.

Thursday, September 27 · 5:30 P.M. · St. Paul’s Historic Landmark Center

This conference is being recorded. The Audio CD may be purchased at the CMA Exhibit Table.
The Crowne Plaza St. Paul Riverfront Hotel is located in downtown St. Paul, overlooking the beautiful Mississippi River and is only 9 miles from the Minneapolis/St. Paul International Airport. St. Paul is the capital city of Minnesota, and the proud focal point for the state’s art, culture, and entertainment industries. Many of these attractions are only blocks from the Crowne Plaza and include the RiverCentre, Science Museum of Minnesota, Harriet Island, Ordway Theatre, Xcel Energy Center, Minnesota History Center, State Capital, and the Children’s Museum.

MISSION DOCTORS ASSOCIATION

2013 RETREAT/SEMINAR
MARCH 8-10

CONNECT
Doctors and their spouses who have served both long and short-term at mission hospitals and clinics will be on hand to share their experiences, answer questions, and discuss specific locations.

PREPARE
Learn about mission service and listen to presentations including Mission Theology, mission locations, “The Big Three: HIV, Malaria, TB,” culture shock, and the practicalities of service.

SERVE
Serve alongside long-term Mission Doctors at hospitals and clinics in Africa and Latin America. Today, MDA is working with facilities in Belize, Cameroon, Ecuador, Guatemala, Uganda, and Tanzania.

CAN’T GO YOURSELF?
“Heal the sick and say to them the good news of God is at hand.” Luke 10:9

You can make it possible for a Catholic doctor to serve at a mission hospital or clinic. It only takes $3 to make it possible for a Mission Doctor to care for one patient in Africa or Latin America.

This is a mission of healing, you are our partner in hope.

Dr. & Mrs. Francis P. McCauley and son Francis Jr.

The Lane Family Congratulates

Dr. John I. Lane

We pray for your success as President-Elect of the Catholic Medical Association
Living Our Mission

Ascension Health’s Catholic roots go back more than 800 years, while our Mission of service continues today in more than 1,400 healthcare facilities—including 81 hospitals—in 21 states and the District of Columbia. Across the country, Ascension Health serves all people, with special attention to those who are poor and vulnerable. Last year, our 121,000 associates and clinicians provided $1.2 billion in care of persons living in poverty and community benefit.

For more information on Ascension Health and its Health Ministries, visit www.ascensionhealth.org.
Congratulations to

John I. Lane, M.D.

You Are an Inspiration to Your Family

Godspeed to You and the CMA

With Love, from Mother and Dad,
Lisa and Jim, David, Thomas and Cate,
Patty and Kevin, Christopher and Yuko,
Mary and Tom, and
All the Deceased Members of the Lane Family
When is a hospital not just a hospital?

When it finds emergency shelter for families in crisis.
When it provides primary healthcare for children without access.
When it provides prenatal care and delivery to uninsured and underinsured women.
When it donates millions in free medical care to those in need.
When it partners with other organizations to provide dozens of critical humanitarian services to its neighbors, including the poor and uninsured.
In short, when it’s St. Mary Medical Center.

Insurance Counselors are available to help families enroll in CHIP (Children’s Health Insurance Program) and Medical Assistance programs.

For more information call 215.245.8563 ext. 26.

Francis Cardinal George, OMI and the people of the Archdiocese of Chicago commend the work of the Catholic Medical Association and Catholic Physicians’ Guild of Chicago for affirming Catholic faith, moral principles and medical ethics in the science and practice of medicine.

Catholic Medical Association
A Witness to Hope: Medicine and the New Evangelization
81st annual educational conference:

Bishop Thomas John Paprocki and the clergy, religious and laity of the Diocese of Springfield in Illinois

We Need Volunteers!
Put your faith into action: join us on a mission!

Contact Gloria at 972-253-1800 or email at mission@hhmm.org

Delivering compassionate healthcare and the Gospel to the most needy in the developing world.
May St. Philomena, example of strength and perseverance, patroness of our Diocese of St. Petersburg, Florida Guild, intercede for the Catholic Medical Association.

Congratulations
John I. Lane, M.D.
Incoming CMA President!
