

The 78th Annual Educational
Conference of the Catholic Medical Association

The THEOLOGY of SUFFERING

BRINGING FAITH, HOPE & LOVE
TO THE ART OF HEALING

Suffering is an intrinsic part of the clinical encounter, of the human experience of illness and injury, and of the journey toward death. Suffering is also an inescapable dimension of the mystery of salvation. Though suffering confronts everyone as a difficult challenge, we also know that it can, and should, call forth loving care, excellence in treatment and research, and human solidarity.

The 78th Annual Educational Conference of the Catholic Medical Association will explore the challenge of suffering and how we – as physicians and patients, as individuals and as a society – can respond to suffering more effectively as Catholic Christians. A range of highly qualified speakers will explore dimensions of suffering across life and the clinical spectrum, as well as responses shaped by faith, hope and love.

THIS YEAR'S SPECIAL EVENT

On Thursday, October 22, CMA Conference attendees are invited to enjoy a private viewing, reception and dinner at the renowned *Abraham Lincoln Presidential Library and Museum* in downtown Springfield. In a stunning combination of scholarship and showmanship, the Lincoln Museum captures the amazing life and times of Abraham Lincoln in unforgettable ways. The evening's experience will be enhanced by the Abraham Lincoln Presidential Museum's celebration of the 200th birthday of our 16th President. There is a special price for children under 12.

The THEOLOGY
of SUFFERING

BRINGING FAITH, HOPE & LOVE
TO THE ART OF HEALING

Southern
Illinois University
School of Medicine

Jointly Sponsored by the Catholic Medical
Association and the Southern Illinois
University School of Medicine

WHO SHOULD ATTEND?

This activity is intended for physicians, osteopathic physicians, dental surgeons, dentists, physicians in training (e.g., residents and medical students) allied health professionals (physician assistants, nurses, etc.), scientists, members of the clergy, seminarians and people of good will (general public).

OBJECTIVES

- 1. Apply principles of helping patients who are suffering
- 2. Provide methods of healing by addressing all aspects of the suffering person.
- 3. Reflect upon and study in greater depth these discourses after the meeting.
- 4. Teach colleagues to recognize the dignity and meaning of the human person transcending individual identity and state of life, and how to respond affirmatively to this dignity in the context of human suffering.

ACCREDITATION

Southern Illinois University School of Medicine is accredited by the ACCME to sponsor continuing medical education for physicians.

SPONSORSHIP

This activity has been planned and implemented in accordance with the Essentials and Standards of the ACCME through the joint sponsorship of Southern Illinois University School of Medicine and the Catholic Medical Association.
