

# *Conference Prayer*

FOR THE  
76TH ANNUAL EDUCATIONAL CONFERENCE

---

O Divine and Merciful Father, hear the prayers of your faithful through the intercession of John Paul II who gave us many saints to aid us and a deeper understanding of the mystery of suffering.

Draw us to salvation through our sufferings and if it be Thy Will, let healing and conversion commence upon us for our good and the good of the whole world. Let no one be left in exile from the grace of God. May what is lacking in the flesh be strengthened by the Holy Spirit.

May the healing and conversion of all Catholic physicians, and our prayers for the success of the CMA 76th Annual Educational Conference, through the intercession of John Paul II, be brought before Your Heavenly Throne where You will extol the graces needed in whatever measure You deem fit.

In the name of Jesus Christ.

Amen.
