

THE CATHOLIC MEDICAL ASSOCIATION
85th Annual Educational Conference
WASHINGTON, D.C. • OCTOBER 13-15, 2016

VIRTUOUS MEDICINE

The Joy and Privilege of the Catholic Physician

CATHOLIC MEDICAL ASSOCIATION

85th Annual Educational Conference

WASHINGTON, D.C. • OCTOBER 13-15, 2016

DEDICATED TO

Our Lady Undoer of Knots

The Mother of God miraculously conceived Jesus after being visited by the angel Gabriel who told her she would have a child. As the Mother of God, Mary is loved and honored more than any other Saint, known as the ultimate mother and leader of family. Mary Undoer of Knots is revered for her love and devotion to her son Jesus. She is known for her ability to “undo” the knots, the challenges, in our lives. Her love and compassion for us as the children of God shows us just how much she is the mother of the Holy Family and our Mother.

The Novena to Mary, Undoer of Knots was inspired by this Icon in which the Blessed Virgin Mary is shown undoing knots. The icon and the devotion can be sourced to the writing of Saint Irenaeus of Lyons, “The knot of Eve’s disobedience was loosened by the obedience of Mary.”

CATHOLIC MEDICAL ASSOCIATION

Upholding the Principles of the Catholic Faith in the Science and Practice of Medicine

October 13, 2016

Dear Colleagues,

I am delighted to welcome you to the nation's capital as we conduct the 85th Annual Educational Conference of the Catholic Medical Association. For those of you who are attending this conference for the first time, you're in for a treat. For those of you who have previously attended, I need not tell you what you're in for.

Our planning committee has been faithfully meeting for the past two years to bring you an outstanding program. Our conference theme ***"Virtuous Medicine: The Joy and Privilege of the Catholic Physician"***, was derived in part from our Holy Father's apostolic exhortation *"Evangelii Gaudium"* or *"The Joy of The Gospel"*.

In it, he invites all Christians to a renewed personal encounter with Jesus Christ or at least openness to letting Him encounter us. Over the course of three days, we invite you to reflect upon your response to God's call to become physicians, nurses, allied health professionals, and members of the clergy and consecrated life. Yes, our profession is also a vocation and for the next few days I invite you to reflect upon the joy and privilege we have in being the healing hands of God to our brothers and sisters in Christ.

With the help of our distinguished faculty of speakers, we'll have an opportunity to refresh our memories on how the hospital system came to be, reflect on *"Evangelii Gaudium"*, and how the virtues and living a virtuous life undergirds what we do professionally. I also invite you to take advantage of receiving as many graces as possible by participating in daily Mass, the recitation of the Holy Rosary and Divine Mercy chaplet, participating in the sacrament of Reconciliation, and spending time with Our Lord in our adoration chapel. There will also be opportunities to socialize with friends and colleagues. Our conference closes with the celebration of the White Mass and the evening banquet.

Our conference is dedicated to Our Lady under her title of *Our Lady Undoer of Knots*. We also celebrate this extraordinary year of Mercy by dedicating our conference to Our Lord and Savior Jesus Christ under the Divine Mercy Image.

Challenges to the practice of medicine in America, such as the challenges to conscience protection and freedom of religion, will likely beset us for some time. For these next few days, I challenge you to remember, and as one of my favorite spiritual masters Henri Nouwen once said, *"Joy does not simply happen to us. We have to choose joy and keep choosing it every day."* Let us choose every day to practice with joy as physicians, nurses, and allied health professionals.

Yours in Christ,

Marie-Alberte Boursiquot, M.D., F.A.C.P.
President-Elect
2016 Conference Chair

Catholic Medical Association
85th Annual Educational Conference

Dear Friends in Christ,

It is my privilege to welcome you to the 85th Annual Conference of the Catholic Medical Association. The witness of the CMA is a powerful reminder of the impact our Church can have on our culture, particularly in the area of human life and dignity. As great advances are made in health care, it becomes an increasing challenge to ensure that those advances are in keeping with Our Lord's call to respect all human life, especially the weak and defenseless.

The theme of this year's conference: "Virtuous Medicine: the Joy and Privilege of the Catholic Physician" is based on the apostolic exhortation *Evangelii Gaudium* (The Joy of the Gospel) by Pope Francis. I praise the objective of the conference to focus on a vision of the Catholic physician who is dedicated to evangelization, with a focus on society's poorest and most vulnerable. Society at large is in great need of evangelization, not only by religious and clergy, but by members of all professions, especially by healthcare professionals.

I pray that this conference will bear much fruit in your lives as Catholic medical professionals, in our Church, and in American society.

With kindest personal regards, I am

Faithfully in Christ,

Most Reverend William E. Lori
Archbishop of Baltimore

DIocese OF LINCOLN
OFFICE OF THE BISHOP

October 12, 2016

Dear Members of the Catholic Medical Association,

Our Holy Father, Pope Francis, has said that what “Before all else, the Gospel invites us to respond to the God of love who saves us, to see God in others and to go forth from ourselves to seek the good of others. All of the virtues are at the service of this response of love.”

This week you gather to reflect on the joy of encountering Christ and bringing his presence to others by a life of virtue. It is my privilege to welcome you to Washington D.C. and to the 85th Educational Conference of the Catholic Medical Association: **Virtuous Medicine, The Joy and Privilege of the Catholic Physician.**

Virtue frees us to love fully and generously. Virtue free us to proclaim the truth, to witness to it, and to live it. Virtue frees us to be just, and charitable, and holy. The virtuous life—and the virtuous practice of medicine—frees us to be missionary disciples of Jesus Christ in all aspects of our lives.

Jesus Christ invites all of us to be missionary disciples. Doctors, nurses, and health care professionals are called to evangelize—to share the faith—with their families, patients, and fellow health care workers. As Saint Catherine of Siena stated, “if you are who you should be, you will set the world on fire!”

I pray that this conference will encourage you, strengthen you, and equip you to be more virtuous missionary disciples. I pray that it will help you to form alliances and friendships, unity in mission and purpose. And I pray that this conference, and the Catholic Medical Association, will help you to become holy.

Please be assured of my prayers for each one of you. Please be assured of my support. Let us work together to bring the joy of the Gospel to all men and women.

Sincerely yours in Christ,

The Most Rev. James D. Conley
Bishop of Lincoln
Episcopal Advisor to the Catholic Medical Association

OFFICE OF THE ARCHBISHOP

ARCHDIOCESE OF WASHINGTON

5001 EASTERN AVENUE
POST OFFICE BOX 29260
WASHINGTON, D.C. 20017

October 13, 2016

Dear Friends,

It is a pleasure for me personally and on behalf of the Archdiocese of Washington to welcome all of you who have gathered for the 85th Annual Education Conference of the Catholic Medical Association (CMA). My prayerful hope for this meeting is that each of you will experience a renewal and strengthening in spirit.

In the midst of increasing secularism and utilitarianism in medicine, the theme for this year's conference, "Virtuous Medicine: The Joy and Privilege of the Catholic Physician," is a timely reminder that Catholic healthcare is a continuation of the healing ministry of Jesus Christ. Here, God's mercy is at work among us through human hands, words, actions, hearts, witness and faith. In this way, by providing also the missionary witness of profound respect for the transcendent dignity of the human person, throughout history Catholic medical professionals have been a much needed blessing in society.

Pope Francis reminds us often of the calling of each of us to live as missionary disciples in our families, our neighborhoods and our occupations. It is with gratitude that those whom you serve recognize all that each of you do to make present to patients, your fellow healthcare providers, and all in our communities the compassionate face of the Divine Physician, Jesus Christ. In a particular way, I express my appreciation to the speakers at this year's gathering, conference chair and President-Elect Dr. Marie-Alberte Boursiquot, and the CMA's Episcopal Advisor, Bishop James D. Conley, for their service in facilitating this conference and highlighting all the good work of the CMA and its members.

Asking the intercession of Saint Rafael and Our Lady Undoer of Knots, may God's blessings be with you and all those you touch as you continue to bear abundant fruit in our communities.

With every good wish, I am

Faithfully in Christ,

Archbishop of Washington

Catholic Medical Association
85th Annual Education Conference

STATE OF MARYLAND
OFFICE OF THE GOVERNOR

October 13, 2016
85th Annual Educational Conference
Catholic Medical Association

A Message From Governor Larry Hogan

Dear Friends:

I wanted to welcome you to the Catholic Medical Association's 85th Annual Educational Conference.

Since its founding in the early 20th century, the Catholic Medical Association (CMA) has worked tirelessly to provide its members with the knowledge and support they need to excel professionally, while also maintaining their ethical integrity and growing their faith. Today, CMA has grown to become the largest association of Catholic physicians and healthcare professionals in the United States, enabling it to even better support independent chapters, medical professionals, and students in our communities.

This Annual Educational Conference is a great opportunity to reconnect, meet new colleagues, learn more about your profession, and build your faith together. I would like to thank everyone whose dedication has made this weekend possible, and best wishes for a memorable conference and continued progress in the years to come.

Sincerely,

Larry Hogan
Governor

STATE HOUSE, ANNAPOLIS, MARYLAND 21401

TTY USERS CALL VIA MD RELAY

PRAYER OF THE CATHOLIC PHYSICIAN

LORD JESUS,

Divine Physician, who in your earthly life showed special concern for those who suffer and entrusted to your disciples the ministry of healing, make us ever ready to alleviate the trials of our brethren. Make each one of us, aware of the great mission that is entrusted to him, strive always to be, in the performance of daily service, an instrument of your merciful love. Enlighten our minds, guide our hands, make our hearts diligent and compassionate. Ensure that in every patient we know how to discern the features of your divine Face.

YOU WHO ARE THE WAY, provide us with the gift of knowing how to imitate You every day as medical doctors not only of the body but of the whole person, helping those who are sick to tread with trust their own earthly path until the moment of their encounter with You.

YOU WHO ARE THE TRUTH, provide us with the gift of wisdom and science in order to penetrate the mystery of man and his transcendent destiny as we draw near to him in order to discover the causes of his malady and find suitable remedies for it.

YOU WHO ARE THE LIFE, provide us with the gift of preaching and bearing witness to the 'Gospel of life' in our profession, committing ourselves to defending it always, from conception to its natural end, and to respect the dignity of every human being, and especially the dignity of the weakest and the most in need.

Make us O Lord, Good Samaritans, ready to welcome, treat, and console those we encounter in our work. Following the example of the holy medical doctors who have preceded us, help us to offer our generous contribution to the constant renewal of health care structures.

Bless our studies and our profession; enlighten our research and our teaching. Lastly, grant to us, having constantly loved and served You in our suffering brethren, that at the end of our earthly pilgrimage we may contemplate your glorious countenance and experience the joy of the encounter with You in your Kingdom of joy and everlasting peace. Amen

JOHN PAUL II
THE VATICAN, JUNE 29, 2000

JESUS, MY PATIENT

Dearest Lord, may I see you today and every day in the person of your sick, and, while caring for them, minister unto you.

O beloved sick, how doubly dear you are to me,
when you personify Christ; and what a privilege it is
to be allowed to care for you.

Sweetest Lord, make me appreciative of the dignity
of my high vocation, and its many responsibilities.

Never permit me to disgrace it by giving way to coldness,
unkindness or impatience.

And O God, while you are Jesus, my patient,
deign also to be patient with me, bearing with my faults,
looking only to my intention, which is to love
and serve you in the person of each of your sick.

Lord, increase my faith, bless my efforts
and work, now and forevermore. Amen

BLESSED MOTHER TERESA OF CALCUTTA

HOW TO PRAY THE CHAPLET OF DIVINE MERCY

Optional Opening Prayers:

You expired, Jesus, but the source of life gushed forth for souls,
and the ocean of mercy opened up for the whole world.
O Fount of Life, unfathomable Divine Mercy,
envelop the whole world and empty Yourself out upon us.

(Repeat 3 times) O Blood and Water, which gushed forth from the Heart of Jesus
as a fountain of Mercy for us, I trust in You!

Our Father, Hail Mary and the Apostle's Creed

For each of the five decades *(On each "Our Father" bead of the rosary, pray)*

Eternal Father, I offer you the Body and Blood, Soul and Divinity of Your Dearly Beloved
Son, Our Lord, Jesus Christ, in atonement for our sins and those of the whole world.

(On each of the 10 "Hail Mary" beads, pray)

For the sake of His sorrowful Passion, have mercy on us and on the whole world.

Concluding prayer *(Repeat 3 times)*

Holy God, Holy Mighty One, Holy Immortal One,
have mercy on us and on the whole world.

Optional Closing Prayer

Eternal God, in whom mercy is endless and the treasury of compassion inexhaustible, look
kindly upon us and increase Your mercy in us, that in difficult moments we might not
despair nor become despondent, but with great confidence submit ourselves to Your holy
will, which is Love and Mercy itself.

THE 1995 RESTATEMENT OF THE OATH OF HIPPOCRATES

I SWEAR in the presence of the Almighty and before my family, my teachers and my peers that according to my ability and judgment I will keep this oath and stipulation:

TO RECKON all who have taught me this art equally dear to me as my parents and in the same spirit and dedication to impart a knowledge of the art of medicine to others. I will continue with diligence to keep abreast of advances in medicine. I will treat without exception all who seek my ministrations, so long as the treatment of others is not compromised thereby, and I will seek the counsel of particularly skilled physicians where indicated for the benefit of my patient.

I WILL FOLLOW that method of treatment which according to my ability and judgment, I consider for the benefit of my patient and abstain from whatever is harmful or mischievous. I will neither prescribe nor administer a lethal dose of medicine to any patient even if asked nor counsel any such thing nor perform act or omission with direct intent deliberately to end a human life. I will maintain the utmost respect for every human life from fertilization to natural death and reject abortion that deliberately takes a unique human life.

WITH PURITY, HOLINESS, AND BENEFICENCE I will pass my life and practice my art. Except for the prudent correction of imminent danger, I will neither treat any patient nor carry out any research on any human being without the valid informed consent of the subject or the appropriate legal protector thereof, understanding that research must have as its purpose the furtherance of the health of that individual. Into whatever patient setting I enter, I will go for the benefit of the sick and will abstain from every voluntary act of mischief or corruption and also from the seduction of any patient.

WHATEVER IN CONNECTION with my professional practice or not in connection with it I may see or hear in the lives of my patients which ought not be spoken abroad I will not divulge, reckoning that all such should be kept secret.

WHILE I CONTINUE to keep this oath unviolated may it be granted to me to enjoy life and the practice of the art and science of medicine with the blessing of the Almighty and respected by my peers and society, but should I trespass and violate this Oath, may the reverse be my lot.

AS INTRODUCED BY THE VALUE OF LIFE COMMITTEE, INC., JUNE, 1995.

85th Annual Educational Conference of the Catholic Medical Association

2016 CONFERENCE INFORMATION

CONFERENCE RECORDINGS

This conference is being recorded!

The entire 84th Annual Educational Conference is being professionally recorded, from beginning to end. Audio and Video recordings of individual presentations can be purchased, as well as the entire set of conference presentations. Audio recordings will be available during the conference in the form of multiple CDs, as a boxed two disc MP3 set, or on a CMA flash drive. Video recordings of the lectures can be ordered during the conference and will be shipped after the conference concludes. Supplies will be limited.

CONFERENCE RECORDING NOTICE:

This conference is being recorded and your image and likeness, and that of your children if they are attending, in the form of a photograph, still or moving image and/or audio (on film, digital video or other recording medium) may be taken and possibly published on Internet Websites, Broadcasts, and other publications as released to or by the Catholic Medical Association, its affiliates, partners, associates and/or assigns. If you do not want to be recorded or have children recorded, please notify the registration desk or CMA staff immediately

Inquire about purchasing audio and video recordings of Conference Lectures at the CMA Exhibit Table!

2016 CONFERENCE PHOTO BOOK

Relive all of the memories of the 2016 Conference, with a beautiful glossy hard cover photo book full of photos from the conference. The book is available for purchase for \$89.00 at the CMA Exhibit Table. Place your order today!

CMA CONFERENCE APP

The CMA Annual Educational Conference has gone mobile!

We strongly encourage you to download our mobile guide to enhance your experience at CMA Annual Educational Conference. You'll be able to plan your day with a personalized schedule and browse exhibitors, maps and general conference information. The app is compatible with iPhones, iPads, iPod Touches and Android devices. Windows Phone 7 and Blackberry users can access the same information via our mobile site. guidebook.com/browse/

TO GET THE GUIDE, CHOOSE ONE OF THE METHODS BELOW:

- Download '**Guidebook**' from the Apple App Store or the Android Marketplace
- Visit <https://guidebook.com/g/5ko0tok1ilpvxwv> from your phone's browser
- Scan the code image (to the right) with your mobile phone (QR-Code reader required, e.g. 'Red Laser', 'Barcode Scanner')

From the Guidebook application, tap "Download Guides" then tap "Redeem Code". Enter the code **cma2016** and the guide will download to your device!

Enjoy the Conference!

85th Annual Educational Conference of the Catholic Medical Association 2016 CONFERENCE INFORMATION

CMA SOCIAL NETWORKING

Be an Active Participant in the CMA Conference

Connecting with CMA members, and all those involved in the work of the CMA, is very important to us.

Be sure to share your pictures and thoughts with fellow conference attendees during the CMA 84th Annual Educational Conference, by using the hashtag **#CMACon** on all your posts and tweets!

Your pictures may have a chance to be featured in upcoming issues of our CMA magazine, newsletter, or website.

Connect With CMA Through Social Media

Follow the CMA on Twitter, Facebook, Instagram, and Pinterest:

twitter.com/catholicmed

www.facebook.com/CathMedAssociation

instagram.com/catholicmedicalassociation

www.pinterest.com/CatholicMed

ROUNDTABLE SESSIONS

Submit your questions before each Roundtable session!

Faculty speakers will answer questions during Roundtable sessions twice daily during the conference. Your questions are welcome and need to be submitted in writing prior to each Roundtable session.

TWO WAYS TO SUBMIT YOUR QUESTIONS

Email questions to AEC@cathmed.org at any time BEFORE the appropriate roundtable session begins.

Hand written questions can be submitted to the **registration desk** at any time BEFORE the appropriate roundtable session begins.

ALL QUESTIONS (emailed and hand written) should include the faculty speaker's name to whom it is addressed. Program assistants will print and collate submitted questions prior to each Roundtable to which the speakers will respond. There will not be opportunities to ask impromptu questions during the Roundtable sessions.

DONATE TO STUDENT & RESIDENT EDUCATION

Give Students and Residents Access to Future Conferences!

Many of the medical students and residents at the Conference this year are here only because of scholarships made possible by generous CMA members and grants.

DONATE TO THE CMA ANNUAL APPEAL

If you would like continue to give medical students and residents access future CMA offerings, please consider donating to Medical Student and Resident Education online at www.cathmed.org/donations and click on **Annual Appeal Online** on the left side of your screen.

You can also use forms that will be distributed at this conference and return them to the registration desk.

CME INFORMATION

INTENDED AUDIENCE

This activity is intended for physicians, osteopathic physicians, dental surgeons, dentists, physicians in training (e.g. residents, interns, and medical students), scientists, members of the clergy, seminarians, and people of good will (general public).

THE JOHNS HOPKINS UNIVERSITY SCHOOL OF MEDICINE DESIGNATION STATEMENT

The Johns Hopkins University School of Medicine (JHU SOM) Office of Continuing Medical Education is pleased to inform that the activity, *Virtuous Medicine, The Joy and Privilege of the Catholic Physician* scheduled for October 12 - 16, 2016, has been approved by the JHU SOM Advisory Committee on Continuing Medical Education for a maximum of 7.5 AMA PRA Category 1 Credits™.

85th Annual Educational Conference of the Catholic Medical Association

2016 CONFERENCE INFORMATION

EDUCATIONAL OBJECTIVE

The annual conference provides varied talks, with different objectives for each talk (please see individual talk descriptions uploaded in Activity Content section for those objectives). In general, objectives for the whole conference are:

1. By the end of this conference, participants will understand that it is important to work effectively in medicine, but it is also imperative to do so in a virtuous way.
2. By the end of this conference, participants will comprehend that being a virtuous physician or health care professional means to do the right thing readily, spontaneously, and with intrinsic concern for the patient's well-being.

CONFERENCE OVERVIEW

The 2016 CMA 85th Annual Education Conference will be held from October 13-15, 2016 in Washington, D.C. Our theme is: "Virtuous Medicine, the Joy and Privilege of the Catholic Physician". Our theme was inspired, in part, by Pope Francis' apostolic exhortation "Evangelii Gaudium" or "The Joy of the Gospel." In it, he invites all Christians to a renewed personal encounter with Jesus Christ or at least openness to letting Him encounter us. Pope Francis reminds us that no one is excluded from the joy brought by the Lord. This document is a call to action for the world's believers. It covers a wide range of topics including evangelization and an increased openness to the role of the laity which form the backdrop of our theme. Our Episcopal Advisor, Most Reverend James D. Conley, D.D., will open our conference with a more detailed review of this document.

As Catholic physicians, nurses and healthcare professionals we are in a unique position to evangelize a number of individuals on a daily basis. We are "missionary disciples" and have multiple opportunities to live and share our faith not only through our words but more importantly through our actions.

To effectively evangelize as Catholic healthcare professionals, it is important that we do so in a virtuous way. Being virtuous means not only to do the right thing but to do good readily, spontaneously, and with joy. As Catholic Christians and healthcare professionals, virtue is based, as Saint JPII outlined in his apostolic letter "Novo Millennio Ineunte" or "At the Beginning of the New Millennium" on "a high standard of ordinary Christian Living". Let me repeat that, virtue is based on "a high standard of ordinary Christian living".

85th Annual Educational Conference of the Catholic Medical Association

2016 CONFERENCE SCHEDULE

TIME	WEDNESDAY, OCTOBER 12	ROOM
	Pre-Conference NFP Forum Facilitator: Theresa Notare, Ph.D.	Executive Room
3:00 PM	<i>Integrating Technology with NFP</i> Moderator: Theresa Notare, Ph.D.	Executive Room
3:05 PM	<i>Evaluation in the Use of a Fertility Monitoring App as a Supportive System in Teaching NFP</i> Michael Manhart, Ph.D.	Executive Room
3:15 PM	<i>Evaluation of Fertility Charting Apps</i> Alison Contreras, Ph.D., F.C.P.	Executive Room
3:30 PM	<i>Extended Use Effectiveness of an Evidenced-based Electronic Hormonal Fertility Monitor Aided Method of Family Planning</i> Richard J. Fehring, Ph.D., F.A.A.N.	Executive Room
3:45 PM	<i>Comparison of Electronic Fertility Monitor with Ovulation Sticks in the Use of NFP</i> Mary Lee Barron, Ph.D., A.P.R.N., F.A.A.N.P.	Executive Room
4:00 PM	<i>Integrating NFP and Technology Into Practice: An Evidenced Based Case Study</i> Rebecca Peck, M.D.	Executive Room
4:15 PM	<i>Evaluation of the 2 and 3 Year Post Program Follow-up of the PEPFAR Funded Teen STAR Program</i> Sr. Hannah Klaus, M.D.	Executive Room
4:30 PM	<i>Medical Student interest and Familiarity with FABMs</i> Marguerite Duane, M.D.	Executive Room
4:45 PM	Roundtable	Executive Room

FRIDAY'S SPECIAL EVENT

THE SPIRIT OF WASHINGTON DINNER CRUISE

This year's special event is a dinner cruise on the Spirit of Washington. Enjoy impressive Washington DC sights spectacularly lit during an evening dinner cruise along the Potomac River. You'll be able to get incredible views of National Harbor, the Capitol Dome and the Washington Monument from Spirit of Washington's rooftop lounge or the windows around the climate-controlled decks. Savor dishes from Spirit's creative and contemporary dinner buffet and choose from a range of signature cocktails and other beverages at a cash bar. Be sure to use your drink ticket good for one complimentary drink courtesy of the CMA. Onboard DJ entertainment keeps the evening lively, playing popular music throughout the cruise. Cost per person is \$150 for the event. Don't miss out on this wonderful special event.

FRIDAY EVENING, OCTOBER 14, 2016

THE OMNI SHOREHAM HOTEL

Few hotels in the country can claim the significant moments, political adventures, sports heroes, entertainment firsts and milestones, debutante and inaugural balls, school proms, state society dances and weddings that have taken place over the years at Omni Shoreham Hotel.

The hotel was first conceived when Harry Bralove was walking the property between Woodley Road and 28th Street to begin construction on apartments. Fortunately, he had grander visions – a hotel that would combine temporary and residential living. He hired architect Joseph Abel to bring the vision to life with Renaissance and Art Deco architectural and decorative features. The state-of-the-art building featured fireproofing, running ice water, an indoor ice rink in the lounge and high-speed Westbrook elevators and cost \$4 million.

For the Shoreham's opening night on October 30, 1930, legendary bandleader and entertainer Rudy Vallee was scheduled to perform a sold-out event – Vallee's appearance may have made this the social affair of the year. Unfortunately, due to weather and travel delays, Vallee and his Connecticut Yankees were only able to perform for 15 minutes.

Vallee's abbreviated performance was the just the first of many major special events to take place at the hotel, including Franklin Delano Roosevelt's first inaugural

ball. For the next 70 years, all inaugural balls were held at the Shoreham.

Entertainers flocked to the Shoreham, as well, especially to the famed Blue Room on the Terrace and the Marquee Lounge. These included Judy Garland, Aretha Franklin, Pearl Bailey, Benny Goodman, Peggy Lee, Abbe Lane, George Kirby, Clancy Bros and Tommy Makem, Gordon & Sheila MacRae, Bob Newhart, Phyllis Diller, Enzo Stuarti, Eartha Kitt, Edie Adams, Van Johnson, Peter Lind Hayes and Mary Healy, Nelson Eddy & Gale Sherwood, Jerry Vale, Teresa Brewer, Petula Clark, Jose Molina Bailes Espanoles, Bill Cosby, the New Journeymen, Gretchen Wyler, Smothers Brothers, Milton Berle, Pat Suzuki, Paul Anka, the New Christy Minstrels, Tony Bennett, Pam Bricker, and Bob Hope.

Politicians have also been drawn to the hotel. Senator Stuart Symington (D-Mo.) was among the seven U.S. senators, 18 congressmen, and diplomats and their families who have resided at the Shoreham. President Harry Truman was a frequent guest, playing poker with Symington, Speaker of the House John McCormack (D-Ma.), and William "Fishbait" Miller, the doorkeeper of the House, throughout many a night in room 406D. Senator Warren G. Magnuson (D-Wa.) was another resident of the Shoreham and also played poker regularly with Truman.

THE OMNI SHOREHAM HOTEL

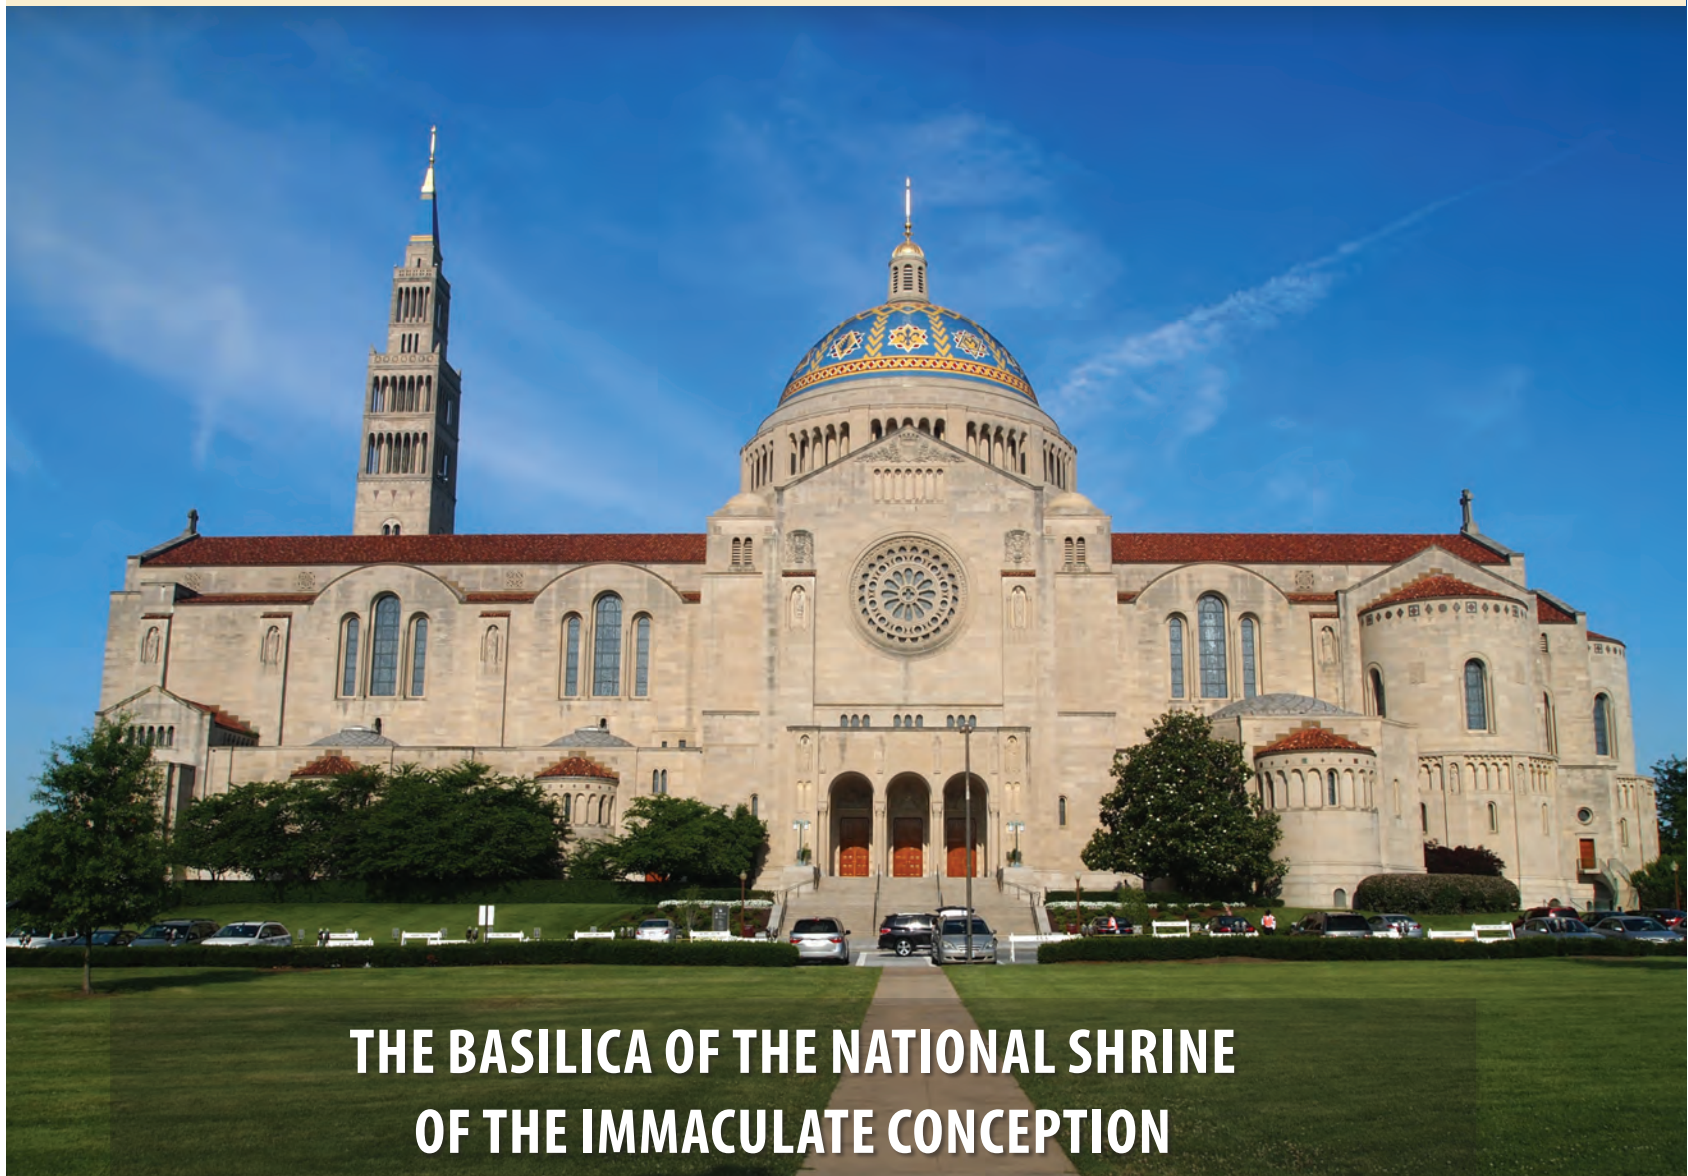

The Shoreham has also played host to famous sports figures. In 1941, New York Yankees Manager Joe McCarthy and teammates of Joe DiMaggio surprised the Yankee Clipper with a party in room 609D in honor of the slugger's 56-game hitting streak.

SHOREHAM FUN FACTS:

- The Beatles stayed at the Shoreham during their first trip to the U.S. Their hand-written set list is printed on Shoreham stationery & displayed in the lobby.
- The “Ghost Suite,” #870, is said to be haunted by two ghosts; a former Executive Housekeeper & a young girl.
- “Hail to the Redskins!” – the fight song for the Washington Redskins – was written in the Blue Room and debuted on August 17, 1938.
- When Franklin Delano Roosevelt had his first presidential inaugural ball at the Shoreham, the hotel had a ramp and elevator installed to accommodate his needs.

WASHINGTON, D.C. ATTRACTIONS

THE BASILICA OF THE NATIONAL SHRINE OF THE IMMACULATE CONCEPTION

In 1846, an excerpt from a Massachusetts newspaper told of “a magnificent Catholic church to be built at Washington, D.C. after the manner of the great cathedrals of the Old World from subscriptions of every Catholic Parish in America.”

Spanning the late 19th, 20th and now 21st century, American Catholics would indeed build a sanctuary that rivals those of Europe and the world, not only in size but in stature as well—in sacred art, architecture, history and heritage.

Dedicated to the Blessed Virgin Mary, under her title of the Immaculate Conception, the Basilica is the nation’s preeminent Marian shrine. With over 70 chapels and oratories that relate to the peoples, cultures and traditions that are the tap-

estry of the Catholic faith and the mosaic of our great nation, the Basilica of the National Shrine of the Immaculate Conception is indeed, America’s Catholic church.

As the largest Roman Catholic church in the United States and North America, and one of the ten largest churches in the world, the Basilica of the National Shrine of the Immaculate Conception welcomes pilgrims and tourists alike from across the country and around the world.

Located in Washington, D.C., the Basilica is renowned for its unique architecture, beautiful sacred art (the largest collection of contemporary ecclesiastical art in the world) and rich Catholic and American history and heritage.

BALTIMORE, MD ATTRACTIONS

THE BASILICA OF THE NATIONAL SHRINE OF THE ASSUMPTION OF THE BLESSED VIRGIN MARY

The historic Baltimore Basilica, built from 1806-1821, was the first great metropolitan cathedral constructed in the United States after the adoption of the Constitution. America's First Cathedral, officially known as the Basilica of the National Shrine of the Assumption of the Blessed Virgin Mary, quickly became a symbol of the country's newfound religious freedom. Two prominent Americans guided the Basilica's design and architecture: John Carroll, the country's first bishop, later Archbishop of Baltimore, and cousin of Charles Carroll, a signer of the Declaration of Independence; and Benjamin Henry Latrobe, father of American architecture, and Thomas Jefferson's Architect of

the Capitol. For more than 100 years until the American Revolution, the Catholic Church consisted of a persecuted but devout minority. With the adoption of the new Constitution, Church leaders wanted to build a cathedral to celebrate their newly acquired right to publicly worship. Bishop Carroll eschewed the popular Gothic Revival and adopted the neoclassical (romantic classicism) architecture of the new federal city in Washington. He wanted an architectural symbol for the Catholic Church in this new republic that was uniquely considered "American".

Learning of Bishop Carroll's effort, Latrobe volunteered his architectural services. President Jefferson's

BALTIMORE, MD ATTRACTIONS

insistence on skylights for the U.S. Capitol inspired Latrobe and his design for the Cathedral's grand dome. The Basilica, which culminated years of architectural refinement by Latrobe, is now considered one of the world's finest examples of 19th century architecture.

"When the Cathedral was first constructed, the only building that could compete with it in size, scale, and architectural sophistication was the United States Capitol," said Jack Waite, Principal Architect with John G. Waite Associates, Architects. "Architecturally, it was the most advanced building in the country."

Situated majestically on a hill above Baltimore Harbor, the historic Basilica was the center of the country's first archdiocese, from which two-thirds of U.S. Catholic dioceses can trace their heritage. Under its auspices also came a series of other firsts, including the first order of African-American Religious, the Oblate Sisters of Providence, founded by Mother Mary Lange.

Once construction was completed, the Basilica began a distinguished history that continues to this day. In 1829, the First Provincial Council of Baltimore, held at the Basilica, asserted the need for Catholic schools.

Six other Provincial Councils and Three Plenary Councils followed, guiding the Church as the country moved westward, and its Catholic population increased with new immigrants. The First Plenary Council in 1852 extended the legislation of the Seven Provincial Councils to the entire country. Following the American Civil War, the Second Plenary Council in 1866, whose guests included President Andrew Johnson, achieved peace for the Church and called for the evangelization of Native and African-Americans. The Third Plenary Council, the largest meeting of Catholic Bishops held outside of Rome since the Council of Trent

(December 13, 1545-December 4, 1563), commissioned the famous Baltimore Catechism, which taught generations of Catholics the basics of their faith. Father Michael J. McGivney, founder of the Knights of Columbus, was ordained at the Basilica in 1877.

In April 1906, the 100th anniversary of the laying of the Cathedral's cornerstone was observed with a Pontifical Mass celebrated by James Cardinal Gibbons. Pope Pius XI raised the Cathedral to the rank of a Minor Basilica in 1937; in 1972, it was declared a National Landmark; and in 1993, the National Conference of

Catholic Bishops designated the Cathedral a National Shrine. "No other Catholic edifice in America can claim to have seen so much history made inside its walls," observed George Weigel, acclaimed biographer of Pope John Paul II, and NBC News Vatican analyst. Since 1976, the Basilica has hosted visits by Pope John Paul II, Blessed Teresa of Calcutta, and Ecumenical Patriarch Bartholomew I of Constantinople. Today, it is the focus of a diverse and revitalized neighborhood, the Mount Vernon Cultural District. In 2001, under the leadership of Cardinal William H. Keeler, 14th Archbishop of Baltimore, the Basilica of the Assumption Historic Trust, Inc. launched a campaign to restore

the neglected Basilica to Latrobe's original vision. The restoration included providing public access to the Archbishop's crypt; the construction of a Chapel in the undercroft; incorporation of the Basilica Museum; handicap accessibility to the entire Basilica; a complete overhaul of the Basilica's infrastructure; and much, much more.

Today, the Baltimore Basilica, now fully repaired and restored, welcomes new generations to pray and explore, at America's First Cathedral!

85th Annual Educational Conference of the Catholic Medical Association

CONFERENCE PRESENTERS

Michael Aquilina

Author

Brian C. Bamberger, M.D., M.P.H.

Combined Internal Medicine-Pediatrics resident

CMA PRESIDENT 2015-2016

*As a Member of Our Ranks,
with Deep Gratitude for a Job Well Done*

ON BEHALF OF THE CLERGY, RELIGIOUS, AND
LAY FAITHFUL OF THE ARCHDIOCESE OF BALTIMORE,

Archbishop William E. Lori

OFFERS PRAYERS & BEST WISHES TO

The Catholic Medical Association

ON THE OCCASION OF ITS

85th Annual Conference

Helping Couples Live with Their God-given Gift of Fertility.

Established in 1997, the Marquette University College of Nursing Institute for Natural Family Planning has three major goals:

- Provide NFP teacher training for health professionals
- Conduct research and scholarship in NFP
- Develop and offer innovative services

The INFP offers three self-paced courses for health professionals through the Medical College of Wisconsin: NFP Core Theory, NP Teacher Training and NFP Medical Applications.

INFP researchers and doctoral students have published more than 20 peer-reviewed studies on NFP and related topics since 2008, including an RCT of NFP effectiveness.

The Marquette Model of NFP offers the latest in hormonal monitoring, online charting and, coming soon, an iPhone fertility monitoring app funded by a generous donation from the Our Sunday Visitor Institute.

Resources

For information about NFP teacher training courses, go to marquette.edu/nursing/training.

To register couples for the INFP, go to nfp.marquette.edu.

DO YOUR INVESTMENTS

FIT YOUR MORAL BELIEFS?

Many people don't realize the companies they're invested in might be violating their strong moral beliefs. Thankfully, investors don't have to compromise their values. Ave Maria Mutual Funds take a pro-life, pro-family approach to investing, with a proprietary screening process that examines corporate compliance with Catholic teachings regarding abortion, pornography and policies that undermine the sacrament of marriage. Investments are made only in companies that do not violate core teachings of the Catholic Church as set by the Funds' Catholic Advisory Board.

Smart Investing **and** Catholic Values

For more information call 1-866-AVE-MARIA (1-866-283-6274) or visit avemariafunds.com

Request a prospectus, which includes investment objectives, risks, fees, expenses and other information that you should read and consider carefully before investing. The prospectus can be obtained by calling 1-866-283-6274 or it can be viewed at www.avemariafunds.com. Distributed by Ultimus Fund Distributors, LLC.

BALTIMORE GUILD

CATHOLIC MEDICAL ASSOCIATION

Congratulations to
Marie-Alberte Boursiquot, M.D.
CMA President 2017

With Deep Appreciation for
Extraordinary Dedication and Service

A Living Health Care Ministry

Do Not Fear – Live in Faith, God Will Provide

Celebrating the Faith – In Christian Community and Liberty

CMF CURO is the country's first Catholic health sharing experience. Together with Samaritan Ministries International, CMF CURO offers an affordable, Christ-centered alternative to secular health insurance for committed Christians that is exempt from the Affordable Care Act and is fully consistent with the Catholic faith.

CMF CURO is:

- A ministry where Catholics share their medical costs with Christians across the nation;
- Exempt from the individual and HHS mandates of the Affordable Care Act;
- Consistent with Catholic moral teachings;
- Half (or less) of the cost of traditional health insurance in many cases;
- A way to invest in the Culture of Life and true Catholic health caring;

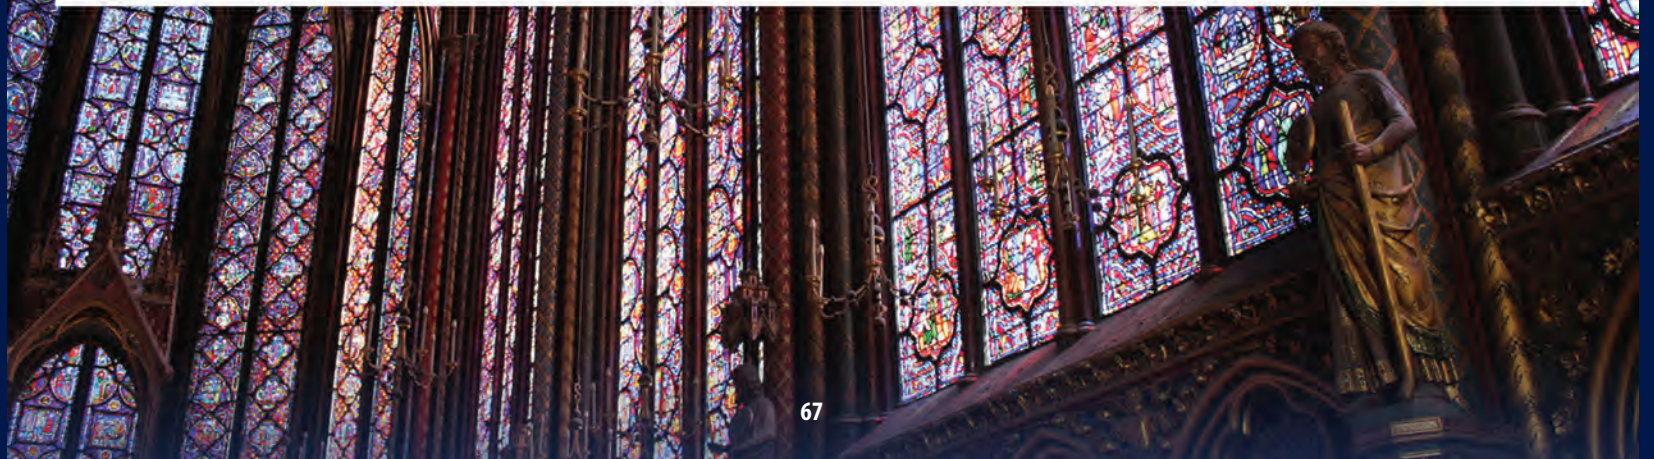

Members are actively engaged and empowered:

- In caring for the health care needs of their families within an authentic Catholic community;
- As stewards of the Gift of Life;
- In truly living the Catholic faith each day in Christian charity, witness and prayer;
- In the practice and promotion of our religious liberty, free from government regulation;
- In a faith-based, affordable health care option;
- In state-of-the-art management systems managed by The Christ Medicus Foundation;
- In the management of their improved health and wellbeing through a robust wellness management toolset.

Catholic Doctors Needed

Patients around the world are waiting for a doctor.

Millions of people suffer with preventable diseases,
lower quality of life, and shortened life spans.

You have the education, the expertise, and the
experience to make a difference.

Since 1959, Mission Doctors Association has trained,
sent and supported Catholic doctors and their families
to serve people of all faiths in some of the most
under-served areas of the world.

This mission of healing provides direct patient care and
training for local professionals striving toward the goal
of sustainable health care.

You can change the world, one patient at a time.

Thank You

to the
Oblate Sisters of Providence

for their daily prayers
for a successful conference
and for all of the attendees.

Prayer for the Beatification of *Mother Mary Lange*

O Almighty and Eternal God, You granted Mother Mary Lange extraordinary trust in Your providence. You endowed her with humility, courage, holiness and an extraordinary sense of service to the poor and the sick. You enabled her to found the Oblate Sisters of Providence and provided educational, social and spiritual ministry especially to the African American community. Mother Lange's love for all enabled her to see Christ in each person, and the pain of prejudice and racial hatred never blurred that vision.

Deign to raise her to the highest honors of the altar in order that, through her intercession, more souls may come to a deeper understanding and more fervent love of You.

Heavenly Father, glorify Your heart by granting also this favour *(here mention your request)* which we ask through the intercession of Your faithful servant, Mother Mary Lange.

Amen.

Nihil Obstat:
Msgr. Carroll Satterfield
Censor Librorum
Archdiocese of Baltimore

Imprimatur:
Most Reverend William H. Keeler, DD

PONTIFICAL
JOHN PAUL II
INSTITUTE

FOR STUDIES ON MARRIAGE & FAMILY

The mission of the Pontifical John Paul II Institute is rooted in the abiding conviction that Jesus Christ reveals love to be the meaning of God (1 Jn 4:8), of the human person, and through the person, of the whole of creation. The Institute is thus devoted to a rigorous study of the Triune mystery of God's love given to us in Jesus Christ as it reveals the meaning of man and his world (Gaudium et Spes, 22), and to a perception of the human person in all of its dimensions: philosophical, theological, anthropological, and scientific.

the **DIOCESE OF NEW ULM, Minnesota**

Bringing Joy through Healing

Today's world has left many wounded physically, spiritually and emotionally. It is easy to get lost, but the CMA is helping many return to peace and wellbeing.

Your support of the CMA helps to restore hope and bring joy. Whether it is through the media, working to change policies, educational events, evangelizing health care, forming a new generation of leaders or raising awareness on important issues, the CMA is making a difference and re-establishing joy.

Ours is a profound joy that goes deeper than a smile; rather it lights a fire within, bringing peace to the soul. We have all experienced that kind of joy. Now is the time to share it with others.
