

Curriculum Vitae  
**PATRICK P. YEUNG, JR M.D., F.A.C.O.G.**

**A. Personal Information:**

**Professional Address**

Saint Louis University School of Medicine  
Department of Obstetrics, Gynecology & Women's Health  
Division of Gynecologic Sub-Specialties  
Section of Minimally Invasive Gynecologic Surgery  
6420 Clayton Road, Suite 290  
St. Louis, Missouri 63117  
314-781-8605 (Office)  
314-781-2840 (Fax)  
Email: [patrick.yeung@health.slu.edu](mailto:patrick.yeung@health.slu.edu)

**B. Current Position, Institution and Start Date:**

Associate Professor 08/15-present  
Saint Louis University School of Medicine  
Division of Gynecologic Sub-Specialties  
Section of Minimally Invasive Gynecologic Surgery

Director 08/11-present  
Saint Louis University Center for Endometriosis  
Department of Obstetrics, Gynecology & Women's Health  
Saint Louis University School of Medicine

**C. Education:**

**Certification**

CFCMC Certified *Fertility* Care Medical Consultant 01/12-present

**Fellowship Training**

Mini-Fellowship in Laparoscopic Excision of Endometriosis 07/08-09/08  
Center for Endometriosis Care, Atlanta, GA

Fellowship in Minimally Invasive Gynecologic Surgery (FMIGS) 07/07-06/08  
University of Louisville, KY

Sponsored by American Association of Gynecologic  
Laparoscopists (AAGL), Surgical Review Council (SRC)

**Postgraduate Training**

Residency in Obstetrics and Gynecology 07/03-07/07  
Georgetown University Medical Center, Washington, D.C.

Residency in Family Medicine 08/00-06/03  
St. John's Mercy Medical Center St. Louis, MO

**Graduate Degree**

Doctor of Medicine 08/96-05/00

Queens University, Kingston, Ontario, Canada

**Undergraduate Degree**

Honors, Bachelor of Science 08/91-06/95  
University of Toronto, Canada

**D. Previous Professional Experience:**

Assistant Professor 07/08-06/11  
Duke University  
Durham, North Carolina

Director of Duke Center for Endometriosis, Research & Treatment 07/08-06/11  
Duke Center for Minimally Invasive Gynecological Surgery  
Durham, North Carolina

Clinical Instructor 07/07-06/08  
University of Louisville  
Louisville, Kentucky

**E. Hospital and Clinical Staff Appointments:**

**Current**

SSM St. Mary's Health Center, St. Louis, MO 08/11-present  
St. Louis University Hospital, St. Louis, MO 08/11-present

**Previous**

St. Luke's Hospital, St. Louis, MO 08/11-2014  
Duke University, Durham, NC, Hospital staff 01/08-06/11  
Durham Regional Hospital, Durham, NC, Hospital staff 01/08-06/11  
Duke-Raleigh Hospital, Raleigh, NC, Staff 01/08-06/11  
University of Louisville, Kentucky, Staff 07/07-06/08

**F. Board Certification and Licensure:**

American Board of Obstetrics and Gynecology 12/08-present  
Missouri State License 08/11-present  
American Board of Family Practice 07/03-06/13

**G. Professional Society Memberships:**

**International**

AAGL Reproductive Surgery/Endometriosis SIG 2012-present  
World Endometriosis Research Foundation (WERF) 08/13-present  
World Endometriosis Society (WES) 01/11-present  
International Institute for Reproductive & Restorative Medicine (IIRRM) 01/10-present  
American Association of Gynecologic Laparoscopists (AAGL) 01/04-present

**National**

Fellow, American College of Obstetricians & Gynecologists (ACOG)	01/11-present
American Association of Gynecologic Laparoscopists (AAGL)	01/04-present
American College of Obstetricians & Gynecologists (ACOG)	01/03-present
American Association of Pro-Life Obstetricians & Gynecologists (AAPLOG)	01/03-present
American Academy of Fertility Care Physicians (AAFPCP)	01/02-present
Society of Laparoscopic Surgeons (SLC)	01/12-12/12
American Society for Reproductive Medicine (ASRM)	01/08-12/09

**Regional:**

St. Louis Obstetrical & Gynecological Society	01/12-present
---	---------------

**H. Honorary Societies, Honors and Awards:**

The Best Doctors in America: Midwest Region (also recognized in <i>St. Louis Magazine</i> )	02/13-present
Designated Surgeon, Center of Excellence in Minimally Invasive Gynecologic Surgery, COEMIG, St. Mary's Health Center, Awarded by the American Association of Gynecologic Laparoscopists (AAGL) and the Surgical Review Committee (SRC)	02/13-05/16
Jay Cooper Endowed Best Paper on Minimally Invasive Gynecology	11/08
Kurt Semm Excellence in Pelviscopy	11/07
Teaching award for student education	06/07
Teaching award for student education	06/04
Award for Genetics, internship year at Georgetown University, Washington DC	07/03

**I. Professional Services:**

**International**

Chair, Reproductive Surgery/Endometriosis (SIG), American Association of Gynecologic Laparoscopists (AAGL)	04/16-03/17
Chair, Pre Congress Course (Endo609) on Endometriosis for 45 <sup>th</sup> Annual Global Congress, American Association of Gynecologic Laparoscopists (AAGL)	11/16-5/17
Committee Member, Nominations Committee, American Association of Gynecologic Laparoscopists (AAGL)	02/16-01/17
Committee Member, General Grants for MIGS Research Committee American Association of Gynecologic Laparoscopists (AAGL)	02/16-present
Chair, Reproductive Surgery/Endometriosis (SIG), American Association of Gynecologic Laparoscopists (AAGL)	01/16-01/17
Vice Chair, Reproductive Surgery/Endometriosis (SIG), American Association of Gynecologic Laparoscopists (AAGL)	04/15-03/16
Vice Chair, Minimally Invasive Gynecologic Surgeons Surgeons Research Consortium (MRC), American Association of Gynecologic Laparoscopists (AAGL)	06/12-03/14
Reviewer, Video Competition, American Society of Gynecologists and Laparoscopists (AAGL) Global Congress	06/14-present

Chair, Protocols Committee of the Minimally Invasive Gynecologic Surgery (MIGS) Research Consortium of the American Association of Gynecologists and Laparoscopists	01/11-12/13
Moderator, American Association of Gynecologic Laparoscopists (AAGL) Conference Session on Reproductive Issues	11/13-present
Reviewer, American Association of Gynecologists and Laparoscopists (AAGL), Center for Excellence in Minimally Invasive Gynecologic Surgery (COEMIG)	01/12-04/16
Chairman, Research Committee, American Association of Gynecologists and Laparoscopists (AAGL)	01/11-06/12
Lab Faculty, International Society for Gynecology Endoscopy Society	05/12-present
Lab Faculty, American Association of Gynecologists and Laparoscopists (AAGL) Pre Congress Course on Laparoscopic Single Site Surgery	01/11-12/11
Item Writer, AAGL Essentials in Minimally Invasive Gynecologic Surgery	05/11-present
Member, American Association of Gynecologic Laparoscopists (AAGL) Research Committee	01/08-present
Reviewer, Journal of Minimally Invasive Gynecology	2006 - present
 <b>National</b>	
Lab Faculty and Speaker, Saint Louis University, Advanced Retroperitoneal Anatomy and Neuro-anatomy of the Pelvis (PASE)	05/15-present
Lab Faculty, Laparoscopic Pelvic Dissection: from the Ureter to Blood Vessels to Avascular Spaces, CME Hands-On Cadaver Course, (two participants per Cadaver), Saint Louis University, School of Medicine, Practical Anatomy and Surgical Education (PASE), Department of OB/GYN & Women's Health, St. Louis, MO	10/14-10/16
Lab Faculty, University of South Florida, Advanced Laparoscopic GYN Surgery Weekend Conference	10/12
Lab Faculty, Carolina Medical Center 2 <sup>nd</sup> Annual Congress in Gynecologic Specialties and Advanced Laparoscopy	05/12
Lab Faculty, Carolinas Medical Center Advanced Training in Single Site Surgery	10/11
Lab Faculty, Carolinas Medical Center 1st Annual Congress in Gynecologic Specialties and Advanced Laparoscopy	05/11
Lab Faculty, AAGL MIGS Fellowship, Celebration Hospital, Florida	05/11
Single Incision Laparoscopic Surgery	
Lab Faculty, Carolinas Medical Center Advanced Training in Single Incision Laparoscopic Surgery	04/11
Lab Faculty, University of South Florida, Advanced Laparoscopic GYN Surgery Weekend Conference	10/10
Lab Faculty, Carolinas Medical Center Advanced Training in Single Incision Laparoscopic Surgery	10/10
Lab Faculty, Carolinas Medical Center Advanced Training in Single Incision Laparoscopic Surgery	04/10
Lab Faculty, University of South Florida, Advanced Laparoscopic	10/09

GYN Surgery Weekend Conference	
Lab Faculty, Carolinas Medical Center Advanced Training in Single Incision Laparoscopic Surgery	10/09
Lab Faculty, Carolinas Medical Center Advanced Training in Single Incision Laparoscopic Surgery	04/09
Lab Faculty, University of South Florida, Advanced Laparoscopic GYN Surgery Weekend Conference	10/08
Lab Faculty, Carolinas Medical Center Advanced Training in Single Incision Laparoscopic Surgery	10/08
Lab Faculty, Carolinas Medical Center Advanced Training in Single Incision Laparoscopic Surgery	04/08
<b>University</b>	
Member, Faculty Dialogue Group, St. Louis University	01/17-present
<b>Department</b>	
Program Evaluation Committee (PEC), Residency	06/15-present
Education Committee	07/13-present
Gynecologic Specialties QI Committee	05/13-present
Quality Improvement Committee (MIGS QI)	11/12-present
Generalist Division Research Committee	01/11-present
Research Safety Oversight Committee	01/11-present
<b>Hospital</b>	
Ethics Committee Member, St. Mary's Health Center	01/14-present
GYN QI Committee member	04/13-present
MIGS Quality Improvement Committee member	11/12-present
<b>Community</b>	
Vice President, Catholic Medical Association, St. Louis Guild	01/14-present
Board Member, St. Louis Obstetrics and Gynecology Society	02/13-present
Member St. Louis Obstetrics & Gynecology Society	01/12-present
Judge for Scientific Meeting, St. Louis Obstetrics and Gynecology Society	04/12
<b>Ad Hoc Reviewer</b>	
1. Reviewer, Scientific Manuscript. Journal of Clinical Imaging Science	1/16-present
2. Reviewer, Obstetrics & Gynecology (ACOG), Green Journal	09/16-present
3. Reviewer, Clinical Medicine Insights: Reproductive Health	02/16
4. Relevance of imaging exams in the surgical planning of patients with bowel endometriosis	
5. Journal of Frontiers in Public Health	07/15-present
6. Reviewer, The Journal of Obstetrics and Gynecology Research	11/14-present
7. Manuscript ID JOGR-2014-0928	
8. Journal of Obstetrics & Gynecology	01/13-present
9. American Journal of Obstetrics/Gynecology	01/12-present
10. Journal of Minimally Invasive Gynecology	01/12-present
11. Linacre Quarterly	01/12-present

**J. Current and Past Teaching Responsibilities:**

**Administration**

Director, Surgical Skills Resident Curriculum, Laparoscopic Suturing Lab Department of Obstetrics, Gynecology and Women's Health Saint Louis University School of Medicine	07/14-present
Preceptor, Surgical Skills Resident Curriculum Trocar Insertion /Basics, Pelvic Floor Department of Obstetrics, Gynecology and Women's Health, Saint Louis University School of Medicine	07/12-present
Preceptor, Surgical Skills Training for residents, Inanimate Lab Laparoscopic Suturing, Department of Obstetrics, Gynecology and Women's Health Saint Louis University School of Medicine	07/12-present
Faculty mentor to 4th year students Department of Obstetrics, Gynecology and Women's Health Saint Louis University School of Medicine	05/17-present
Faculty mentor to 3 <sup>rd</sup> year students Department of Obstetrics, Gynecology and Women's Health Saint Louis University School of Medicine	07/12-present
Faculty mentor to residents Department of Obstetrics, Gynecology and Women's Health Saint Louis University School of Medicine	07/12-present
Co-Director, Pre-Operative Surgical Rounds each Wednesday Department of Obstetrics, Gynecology & Women's Health Saint Louis University School of Medicine	01/12-present
Director, Center of Endometriosis Department of Obstetrics, Gynecology & Women's Health Saint Louis University School of Medicine	09/11-present
Research Mentor for residents Department of Obstetrics, Gynecology & Women's Health Saint Louis University School of Medicine	09/11-present
Director, Minimally Invasive Gynecologic Surgery Curriculum, Department of Obstetrics and Gynecology, Duke University Durham, North Carolina	01/10-06/11
Director, Weekly Cadaver Labs every 6 weeks, University of Louisville, Kentucky	01/07-12/08

*Patrick P. Yeung, Jr. M.D.*

Preceptor, Surgical skills curriculum residents Department of Obstetrics and Gynecology Duke University, Durham, North Carolina	10/08-06/11
Preceptor, Surgical skills curriculum residents Department of Obstetrics and Gynecology University of Louisville, Louisville, Kentucky	07/07-06/08
<b>Courses and Lectures or Topics</b>	
Lecturer to fourth-year general surgery medical students Saint Louis University School of Medicine <i>Capstone Course-Basics of Laparoscopy</i>	03/15-present
Lecturer to third-year OB/GYN medical students Saint Louis University School of Medicine Endometriosis	08/14-present
Lecturer to first-year OB/GYN medical students Saint Louis University School of Medicine Fertility Awareness	07/13-present
Lecturer to OB/GYN residents Saint Louis University School of Medicine Dysmenorrhea and Pelvic Pain	09/12-present
Lecturer, Health Care Ethics Course medical students Saint Louis University School of Medicine Fertility Awareness: A Modern Look at NFP	03/14
Lecturer to third-year OB/GYN medical students Saint Louis University School of Medicine Medical Applications of Fertility Awareness	07/13-07/14
<b>Clinical Teaching Responsibilities</b>	
Clinical Physician Observership from Mexico Department of Obstetrics, Gynecology & Women's Health Saint Louis University School of Medicine/St. Mary's Health Center	06/13
Clinical teaching to Saint Louis University Ph.D. student Observing in the operating room/and patient office for 40 hours, Department of Obstetrics, Gynecology & Women's Health, Saint Louis University School of Medicine	04/13-05/13
Research mentor to 3 <sup>rd</sup> and 4 <sup>th</sup> year residents Department of Obstetrics, Gynecology & Women's Health, Saint Louis University School of Medicine	09/12-present
Preceptor surgical skills curriculum residents Department of Obstetrics, Gynecology & Women's Health Saint Louis University School of Medicine	09/12-present
Clinical teaching to OB/GYN third-year residents	09/11-present

*Patrick P. Yeung, Jr. M.D.*

Department of Obstetrics, Gynecology & Women's Health  
Saint Louis University School of Medicine

Clinical teaching to OB/GYN fourth-year residents 09/11-present  
Department of Obstetrics, Gynecology & Women's Health  
Saint Louis University School of Medicine

Medical students and residents in the operating room 09/11-present  
Department of Obstetrics, Gynecology and Women's Health  
Saint Louis University School of Medicine

Preceptor Generalist Residents' Clinic 08/11-07/12  
Department of Obstetrics, Gynecology & Women's Health  
Saint Louis University School of Medicine/St. Mary's Health Center

Medical students and residents in the operating room 10/08-06/11  
Duke University, Durham, North Carolina

Medical students and residents in the operating room 07/07-06/08  
University of Louisville, Louisville, Kentucky

**K. Protégé:**

Instructor: Self-Directed Gyn Elective Sub-Intern MSIV: Dept. Ob/Gyn 08/2017  
3 Week Course.  
Department of Obstetrics, Gynecology & Women's Health  
Saint Louis University School of Medicine

Summer Research Project, Princeton undergraduate, 12 weeks, 06/13-09/13  
Department of Obstetrics, Gynecology & Women's Health  
Saint Louis University School of Medicine

Faculty Mentor, 1<sup>st</sup> year medical student, Saint Louis University 06/13-09/13  
School of Medicine Research Fellowship Summer Award

Natural Family Planning/Fertility Awareness Methods Elective 01/12-12/13  
Saint Louis University School of Medicine

Research mentor for 1<sup>st</sup> and 2<sup>nd</sup> year medical students, (3-4 per year) 01/12-present  
Department of Obstetrics, Gynecology & Women's Health  
Saint Louis University School of Medicine

Mentor for Nurse Practitioner 10/13-11/13  
Department of Obstetrics, Gynecology & Women's Health  
Saint Louis University School of Medicine

Research mentor to residents 09/12-present  
Department of Obstetrics, Gynecology & Women's Health

*Patrick P. Yeung, Jr. M.D.*

Saint Louis University School of Medicine

Faculty mentor to OB/GYN residents  
Department of Obstetrics, Gynecology & Women's Health  
Saint Louis University School of Medicine

09/11-present

## L. Research Support:

### Current Funding

1. IRB#27377 Co-Investigator. EndoGram® and EndoDTect®, (Support from EndoDiag equivalent to \$20,000, January 2017-2019 and by Mayday fund grant \$125,000, January 2017-2019)
2. IRB#26221 Natural Procreative Technology-Evaluation and Surveillance of Treatment for Infertility and Miscarriage (October 2016)
3. IRB#25996 Activation of the sphingosine-1-phosphate (S1P) to S1P1 receptor subtype (S1PR1) axis in patients with endometriosis: identification of potential relevant biomarkers to diagnose and treat (October 2016). Funded by Just-in-Time (JIT) grant from ICTS at Washington University, \$5000 (2016)
4. IRB#20900 Characteristics of Patient Population with Endometriosis – A Prospective Database and BioBank
5. IRB#24267 Principle Investigator: Yeung Patrick P.  
A pilot study to test the feasibility of the process of looking for unique proteins in patients with endometriosis. (Funded by Departmental Seed Grant \$5,000, May 2014)
6. IRB#22296 Principle Investigator: Yeung Patrick P  
Does aggressivity of endometriosis correlate to clinical history or outcomes? 2012 ongoing, (Support from EndoDiag equivalent to \$30,000 Jan 2012, Jan 2017 further support equaling \$10,000)
7. IRB#23192 Factors that predict difficulty of laparoscopic hysterectomy (Continuation of IRB 17265)
8. IRB#20693 Incidence of adhesions at the superior aspect of the umbilicus after previous laparotomy.

1. Yeung P, Steele A, Helm W, Schwartz B, Leong Fah Che, Practical Pelvic Anatomy Live TeleSurgery presentation, The American College of Obstetrics and Gynecology Annual Clinical Meeting, San Diego, California, May 8, 2012
2. Yeung P, The Laparoscopic Management of Endometriosis in Patients with Pelvic Pain, The American Congress of Obstetricians & Gynecologists, Ridgedale, Missouri, June 6, 2015
3. Yeung P, Advances in Minimally Invasive Modalities for Treating Endometriosis, The American Congress of Obstetricians & Gynecologists, Branson, Missouri, June 5-6, 2017

### **International Oral Presentations**

1. Difficulties and Challenges for Research in Endometriosis, presented at the 2<sup>nd</sup> Annual International American Association of Gynecologists and Laparoscopists Conference with SOBENGE in Sao Paulo, Brazil, 2008
2. Endometriosis in Adolescents, Endometriosis Division, University of Sao Paulo, Brazil, August 2012
3. Use of Lasers in Surgical Management of Endometriosis, presented at the Workshop of Beijing Chaoyang Gynecologists Hospital, July, 2013
4. Use of Lasers in Surgical Management of Endometriosis, presented at the Workshop of Herbei Provincial 2<sup>nd</sup> Hospital, July, 2013
5. Use of Lasers in Surgical Management of Endometriosis, presented at the Workshop of Yichang Center Hospital, July, 2013
6. Yeung P, Development of a Symptom-Based Screening Tool for Early-Stage Endometriosis in Patients with Chronic Pelvic, 12<sup>th</sup> World Congress on Endometriosis (WES), Paolo, Brazil, April 2014
7. Paratubal Cyst of Morgagni: A Possible Atypical Manifestation of Endometriosis? 45th AAGL Global Congress of Minimally Invasive Gynecology, November 2016
8. Logan E, and Gavard J A. Yeung P Jr., Approach to Deep Retraction Pockets, Endometriosis, and Quality of Life. *Frontiers in Public Health*. 45th AAGL Global Congress of Minimally Invasive Gynecology, November 2016
9. ENDO-609 Postgraduate Course. 46th AAGL Global Congress on Minimally Invasive Gynecology. November 12, 2017

### **National Oral Presentations**

3. Thigh Abscess Mistaken for Sarcoma Following Transobturator Tape: A Case Report and Literature Review, Annual AAGL conference November, 2006
4. Serum Levels of Hormones Known to Affect Parturition in Patients Receiving 17 alpha-Hydroxyprogesterone Caproate (17-P) for the Prevention of Preterm Delivery, Presented at Resident Research Day May, 2007, Georgetown University Hospital.
5. A Comparison of Text versus Video in Laparoscopic Training for the Novice Surgeon: A Randomized, Controlled Study. Presented at ASRM conference, San Francisco, CA November, 2008
6. A Comparison of Text versus Video in Laparoscopic Training for the Novice Surgeon: A Randomized, Controlled Study. Presented at AAGL conference Las Vegas, NV, November, 2008
7. Single Incision Laparoscopic Surgery for Total Hysterectomy, Pre-Congress Lecture for ACOG. May, 2010
8. Complete laparoscopic excision of endometriosis in adolescents: Is hormonal suppression necessary? 39th Annual AAGL World Congress, Las Vegas, NV, November, 2010
9. LESS instrumentation and LESS Basics. American Association of Gynecologists and Laparoscopists (AAGL) World Conference, November, 2011
10. Early Diagnosis and Complete Excision: can Endometriosis be eradicated? 3rd Annual Congress Endometriosis Foundation of America, New York, March, 2012
11. Laparoscopic Instrumentation for Single Port Surgery, International Society for Gynecologic Endoscopy Congress, Florida, March, 2012
12. A Novel Technique for Adhesion Prevention after Laparoscopic Ovarian Cystectomy, Boston, MA, SLS-MIRA-SRS Joint Annual Meeting & Endo Expo, September, 2012
13. Patient Preferences of Cosmesis for Abdominal Incisions in Gynecologic Surgery, Boston, MA. SLS-MIRA-SRS Joint Annual Meeting & Endo Expo, September, 2012
14. Patient Preferences of Cosmesis for Abdominal Incisions in Gynecological Surgery, Society of Laparoendoscopic Surgeons, September, 2012
15. A Feasibility Multi-Center Study of Patients after Excision of Endometriosis: A Randomized Comparative Trial of Excision Versus Ablation Looking at Quality of Life Is Needed, The 42nd AAGL Global Congress of Minimally Invasive Gynecology, Gaylord National Resort, Washington, DC, November 2013
16. Fertility and Infertility Within a Catholic Moral Vision, The Catholic Medical Association 83rd Annual Educational Conference, Orlando, FL, September 2014
17. Correlation between physician expectancy prior to cystoscopy with hydrodistension with post procedure image review composite diagnosis for interstitial cystitis. The American Urogynecologic Society. April 2016
18. Correlation between tobacco smoking and diagnosis of interstitial cystitis on cystoscopy with hydrodistension in a prospective cohort of patients with and without interstitial cystitis. The American Urogynecologic Society. April 2016
19. Prevalence of Upper and Lower GI-symptoms in a prospective cohort of patients with and without interstitial cystitis. The American Urogynecologic Society. April 2016

### **Local Oral Presentations**

1. "Can a Catholic Treat Infertility? Ethical Alternatives to IVF" First Friday Mass and Speaker Series. Saint Louis University's Division of Mission and Identity. May 5<sup>th</sup>, 2017.
2. Laparoscopic Pelvic Dissection: from the Ureter to Blood Vessels to Avascular Spaces, Endometriosis and Anatomy. Saint Louis University Course Program, October, 2016
3. Correlation between tobacco smoking and diagnosis of interstitial cystitis on cystoscopy with hydrodistension in a prospective cohort of patients with and without interstitial cystitis. St. Louis Obstetrical & Gynecological Society, May, 2016
4. Killer Cramps are not normal! SSM Expect More Showcase, June, 2012
5. Endometriosis: can it be eradicated? Edward Doisy Department of Biochemistry & Molecular Biology Seminar, Saint Louis University School of Medicine, May, 2012

### **Poster Presentations:**

#### **International Meetings**

1. Yeung P, Deep Dyspareunia and Retraction Pockets in the Posterior Cul-De-Sac, 12th World Congress on Endometriosis, Paolo, Brazil, April 2014
2. Yeung P, Freund M., Holloran-Schwartz MB, Factors Predicting Difficult Laparoscopic Hysterectomy, Vancouver, CA, 43<sup>rd</sup> Annual AAGL Global Conference, Accepted for presentation - November 2014
3. Yeung P, Typical Versus Atypical Endometriosis: Associations and Outcomes After Excision Surgery, Vancouver, CA, 13<sup>th</sup> World Congress on Endometriosis. Accepted for presentation. May 2017

#### **National Meetings**

1. Nezhad C, Yeung P. Preoperative periumbilical ultrasound-guided saline infusion (PUGSI) as a tool in predicting obliterating subumbilical adhesions in laparoscopy. Poster presentation at ACOG conference in May 2007, 1<sup>st</sup> prize winner of the Kurt Semm Award at AAGL conference 2007
2. Yeung P, Justice T, Pasic R. Validation Study on the Use of Video in Laparoscopic Training: A Randomized, Controlled Study. 1<sup>st</sup> prize winner of the Jay Cooper Endowed Award for Best Paper for the AAGL Fellowship November 2008
3. Yeung Patrick P, Complete laparoscopic excision of endometriosis in teenagers: Is postoperative hormonal suppression necessary? Poster presentation at AAGL Annual Conference, Orlando, FL 2009 and at the World Symposium of Endometriosis conference, Atlanta, GA on March 24-26, 2011
4. Holloran-Schwartz MB, Martin Jared, Gavard Jeffrey, Blaskiewicz Robert J., Yeung, Patrick, Does the use of disposable energy devices reduce the operating time for total laparoscopic hysterectomy? Presented at the American College of Obstetric & Gynecology (ACOG) Missouri section meeting, June 7-8, 2013

#### **Local Meetings**

1. Endometriosis-Surgical Management, St. Louis Obstetric and Gynecologic Society, March 2012
2. Laparoscopic Single Site Surgery, St. Louis Obstetric and Gynecologic Society, March 2013

**N. Supplemental Material:  
Symposium/Workshop**

1. Organizer: Didactic - Best Practices and Innovative Approaches in the Surgical Management of Endometriosis-Associated Pain, 45<sup>th</sup> Global Congress on Minimally Invasive Gynecology. November 2016
2. Advanced Retroperitoneal Anatomy and Neuro-anatomy of the Pelvis, Hands-on Cadaver Workshop with Focus on Complication Prevention in Minimally Invasive Surgery in Endometriosis, Urogynecology and Oncology. April 2017
3. Advanced Retroperitoneal Anatomy and Neuro-anatomy of the Pelvis, Hands-on Cadaver Workshop with Focus on Complication Prevention in Minimally Invasive Surgery in Endometriosis, Urogynecology and Oncology. April 2016
4. Advanced Retroperitoneal Anatomy and Neuro-anatomy of the Pelvis, Hands-on Cadaver Workshop with Focus on Complication Prevention in Minimally Invasive Surgery in Endometriosis, Urogynecology and Oncology. April 2015
5. LAPEX: Laser Excision of Endometriosis, Surgery Workshop, Hebei Provincial 2<sup>nd</sup> Hospital, Shijiazhuang, China, September 2014
6. LAPEX: Laser Excision of Endometriosis, Surgery Workshop, Shandong Provincial 2<sup>nd</sup> Hospital, Jinan, China, September 2014
7. LAPEX: Laser Excision of Endometriosis, Surgery Workshop, Chongqing University 2<sup>nd</sup> Hospital, Chongqing, China, September 2014
8. LAPEX: Laser Excision of Endometriosis, Surgery Workshop, Guangxi University 1<sup>st</sup> Hospital, Nanning, China, September 2014
9. Fundamental Laparoscopic Pelvic Anatomy, 16<sup>th</sup> American Association of Gynecologists and Laparoscopists (AAGL) Annual Advanced Workshop on Gynecologic Laparoscopic Anatomy and Minimally Invasive Surgery, Louisville, KY, May, 2014
10. The Surgical Management of Endometriosis, Annual American Academy of FertilityCare Professionals (AAFPCP), Salt Lake City, Utah, July 2013
11. Endometriosis and Fertility Update, Mercy Health Center, Matt Weiss Symposium, St. Louis, Missouri, April, 2013
12. Endometriosis and Pain Update, Mercy Health Center, Matt Weiss Symposium, St. Louis, Missouri, April, 2013
13. Endometriosis and Fertility: An Update, Mercy Health Center, Matt Weiss Symposium, St. Louis, Missouri, April, 2013
14. Endometriosis and Pain: An Update, Mercy Health Center, Matt Weiss Symposium, St. Louis, Missouri, April, 2013
15. Endometriosis and Dissection of Retroperitoneum, Advanced Laparoscopic Gynecologic Surgery Conference, University of South Florida, Center for Advancing Medical Learning and Simulation (CAMLs), September, 2012
16. Basic Procedures and Getting Started, Gynecologic Specialties and Advanced
17. Laparoscopic Techniques, Carolinas Education Institute, May, 2012
18. What's new in instrumentation for single port laparoscopy? Carolinas Education Institute, May, 2012
19. Endometriosis- when and how to operate? Carolinas Education Institute, May, 2012
20. SILS Instrumentation and getting started with SILS, Advanced Training in Single Incision Laparoscopic Surgery, Covidien, October, 2011
21. Advancing your practice with SILS, SILS Mobile Truck Tour, June, 2011
22. Advancing your practice with SIL, SILS Mobile Truck Tour, June, 2011
23. Advancing your practice with SILS, SILS Mobile Truck Tour, June, 2011

24. LESS: Basic Procedures and Getting Started, Carolinas Education Institute, May, 2011
25. SILS Instrumentation and Getting Started with SILS, Single Incision Laparoscopic Surgery Course, February, 2011
26. LESS Basics: Tips and Tricks, Advanced Laparoscopic Gynecologic Surgery Conference, Carolinas Education Institute, October, 2010
27. LESS Basics: Tips and Tricks, Advanced Laparoscopic Gynecologic Surgery Conference, Carolinas Education Institute, June, 2010
28. Endometriosis: When and How to Operate, 2nd Annual Course in Gynecologic Specialties and Advanced Laparoscopy, Carolinas Education Institute, May, 2010

### **Invited Talks**

1. Typical Versus Atypical Endometriosis: Associations and Outcomes after Excision Surgery, 13<sup>th</sup> World Congress on Endometriosis, May, 2017
2. Adolescent Endometriosis, Meet the Expert - 45<sup>th</sup> Global Congress on Minimally Invasive Gynecology Worldwide (AAGL), November, 2016
3. Ethical Alternatives to In Vitro Fertilization. Missouri State Medical Association. December, 2015
4. Endometriosis, Saint Louis Veteran's Administration Women's Summit, May, 2014  
Fundamental Laparoscopic Pelvic Anatomy, St. Louis University, Center for Health Care Ethics, St. Louis, MO, February, 2014
5. A Catholic Approach to Infertility, sponsored by Mercy Health, Cincinnati, Ohio June, 2013
6. The Surgical Approach to Infertility, Mercy Health Center, Cincinnati, Ohio June, 2013
7. An End to Endometriosis? Is it possible to eradicate this disease? (AAFCP) American Academy of Fertility Care Professionals, Creighton University, October, 2012
8. An End to Endometriosis? Is it Possible to eradicate this Disease? American Academy of Fertility Care Professionals, (AAFCP), Salt Lake City, Utah, October, 2012
9. LESS Surgery: Advancing your Minimally Invasive Practice, Dinner Symposium at University of Tennessee-Memphis, February, 2012
10. Addressing Infertility within the Catholic Moral Vision, Catholic Fertility Conference, Sts. Luke and Gianna Catholic Medical Guild and the Family Life Office of the Diocese of Lexington, November, 2011
11. Peritoneal Access: LESS is more; Basics of Single Site Surgery. Minimally Invasive Gynecologic Surgery American Association of Gynecologists and Laparoscopists (AAGL) Fellowship Course, Florida October, 2011, Invited speaker
12. Endometriosis: when and how to operate? On-line webinar, June, 2011
13. Advancing your Practice in Minimally Invasive Gynecologic Surgery, Dinner symposium, April, 2011
14. Laparoendoscopic Single Site Surgery, Session at North Carolina Obstetrics and Gynecology Annual Meeting, Asheville, North Carolina, April, 2011
15. Advancing your Practice in Minimally Invasive Gynecologic Surgery, Dinner symposium, February, 2011
16. Single Incisions Laparoscopic Surgery, AAGL Covidien Energy Masters Course. November, 2010
17. The Laparoscopic Management of Endometriosis, Session at Carter Society (Duke faculty and alumni) meeting, Asheville, North Carolina, October, 2010
18. Advancing your practice with SILS Single Incision Laparoscopic Surgery, Dinner symposium, May 2010

19. The Surgical Management of Endometriosis. Rex Hospital, Raleigh, North Carolina, October, 2009
20. The Laparoscopic Excision of Endometriosis. North Carolina Obstetrics & Gynecology Society, Department of Obstetrics & Gynecology, Duke University, April, 2009

### **Grand Rounds**

1. Alternatives to IVF: Cooperative Medicine and Restorative Surgery, Grand Rounds, Saint Louis University School of Medicine, Department of Obstetrics, Gynecology, and Women's Health, October, 2015
2. The Surgical Approach to Infertility, Grand Rounds, Good Samaritan Hospital, Cincinnati, Ohio June 2013
3. The Surgical Approach to Infertility, Mercy Health Center, Cincinnati, Ohio Presentation to attending and residents, June, 2013
4. The Medical and Surgical Management of Endometriosis, Saint Louis University School of Medicine, Department of Obstetrics, Gynecology, and Women's Health, 16<sup>th</sup> Spring Conference & Residents Research Symposium, April, 2013
5. Best Practices in the Surgical Management of Endometriosis, St. Clare Hospital, St. Louis, MO, February, 2012
6. Is LESS more? University of Tennessee-Memphis, Obstetrics and Gynecology, February, 2012
7. Best Practices in the Management of Endometriosis, Mercy Hospital, St. Louis, MO January, 2012
8. Best Practices in the Surgical Management of Endometriosis, St. Luke's Hospital, St. Louis, MO, January, 2012
9. Endometriosis: When and how to operate? Fall Conference, Department of Obstetrics, Gynecology and Women's Health, October, 2011
10. Endometriosis: How and When to Operate? Department of Obstetrics, Gynecology, and Women's Health, Saint Louis University School of Medicine, October, 2011
11. The Laparoscopic Excision of Endometriosis. North Carolina Obstetrics & Gynecology Society, Department of Obstetrics & Gynecology, Duke University, December, 2008
12. A Systematic Review of the Laparoscopic Management of Endometriosis, Department of Obstetrics & Gynecology, University of Louisville, April, 2008

### **O. Community Service/Civic Activities:**

St. Louis Post-Dispatch, For Couple Battling Infertility, Alternative to IVF Delivers Happy Result	01-17
KMOV-TV Channel 4, Science of Healing series, Saving Babies (Saint Louis University Newslink)	11-16
Town & Style Magazine, SLUCare Center for Endometriosis, Dr. Yeung says he focuses on finding the root cause of infertility.	05-16
KTVI-TV Channel 2, RE: "Infertility isn't just a women's issue", St. Louis (Saint Louis University Newslink)	04-16
Saint Louis University Newslink, Restorative Fertility Clinic Takes Holistic Approach to Infertility.	02-16
Town & Style Magazine, SLUCare Urogyn/MIGS Group Portrait	12-14

special article for “A Multidisciplinary Approach to Resolving Pelvic Pain”	
Volunteer, Well Woman's Clinic	10/13-present
St. Augustine's Church	
Saint Louis University School of Medicine student run Health Center Well Woman Program	11-12
Guest Speaker, Kenrick Seminary, Male & Female Anatomy & Physiology	11-12
Guest Speaker, St. Mary's Health Center, Killer Cramps are not normal	06-12
Guest Speaker, Duke University, “Scarless Surgery: it's not your mother's hysterectomy”	09-10

**P. Consulting:**

For Profit Organization, Lumenis	01/11-06/14
For Profit Organization, Covidien	01/09-06/11
For Profit Organization, Advanced Medical	01/14-present
