(deadline June 1, 2025)

The CMA Medical Student and Resident Boot Camp is a several-day intensive formation experience of prayer, study, practical training, and mentoring with leading Catholic Medical Association physicians, priests, and moral theologians.

The Boot Camp is open to individuals who are currently enrolled in medical school, individuals who will be matriculating into medical school in the summer or fall, and physicians in residency training programs.

CMA Boot Camp will help medical students and residents to:

- More fully live and understand the Catholic faith and moral tradition to thrive as faithful Catholic physicians.
- Develop skills to help organize Catholic support groups within medical schools and residency programs
- Evangelize Catholics and non-Catholics encountered throughout medical training.

Successful applicants will be responsible for a \$50 application fee and their travel costs. All other expenses shall be covered.

Attendees must be members of the national CMA.
